Congratulations
on our 22nd BIRTHDAY

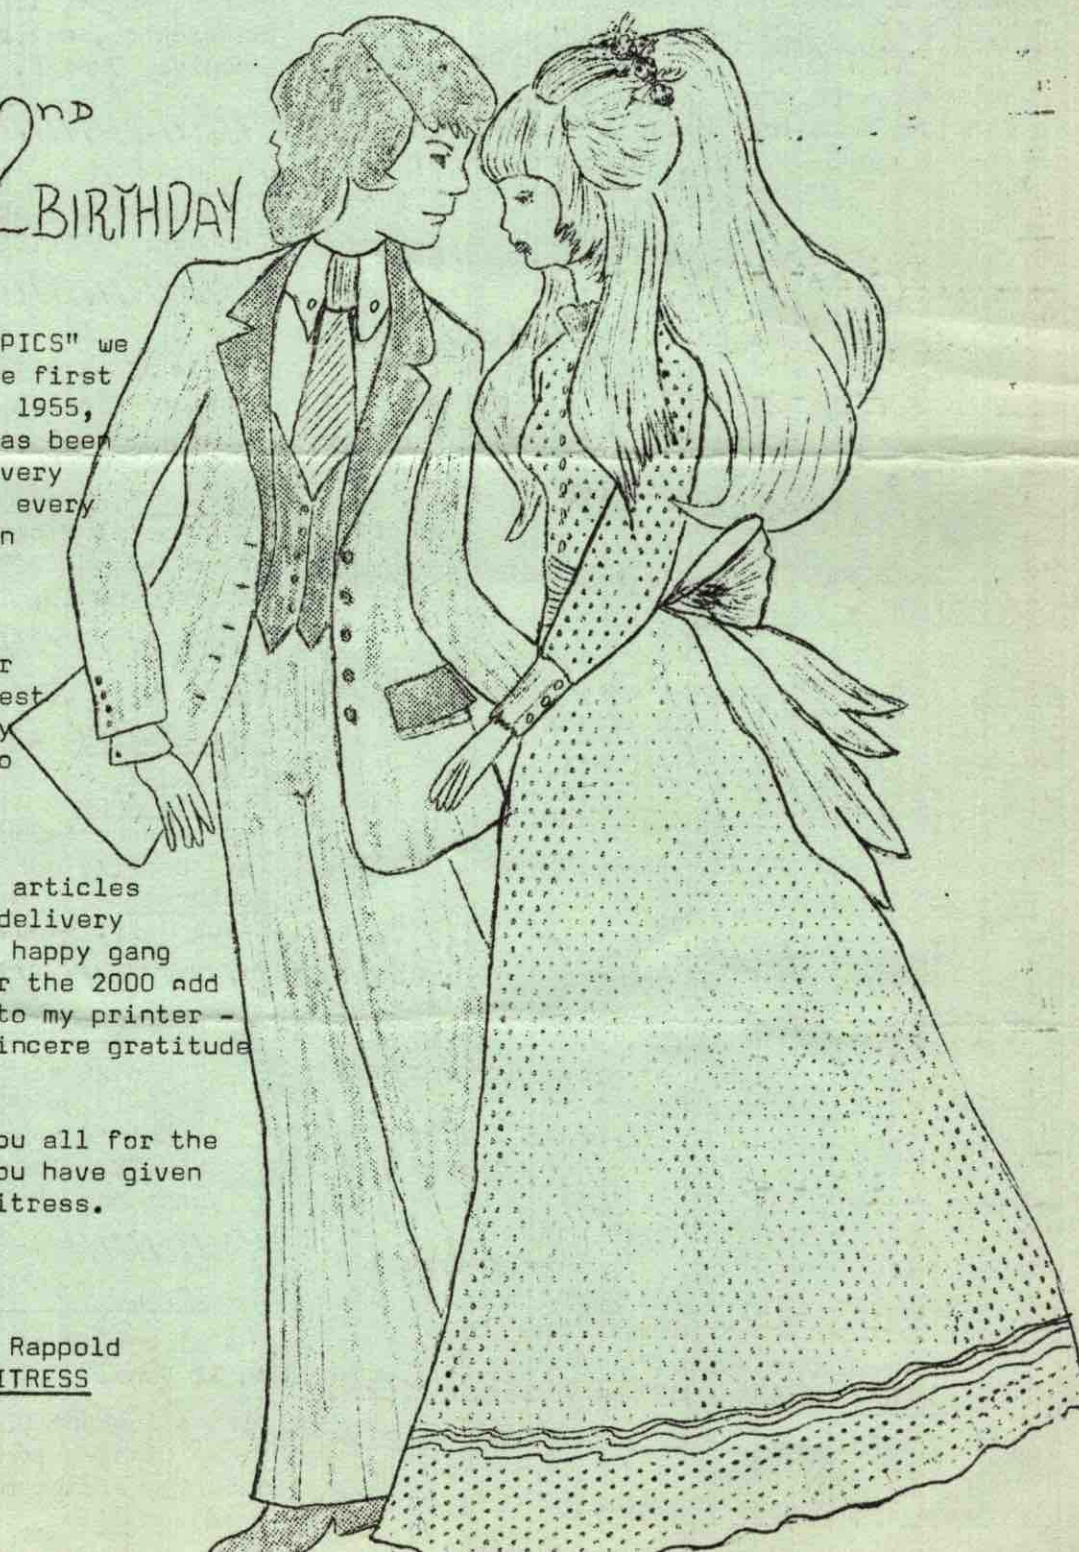

With this issue of "TOPICS" we commence our 22nd year. The first 'Topics' was put out in May 1955, and a copy of every issue has been kept on our files. We are very proud to say that a copy of every issue is also to be found in the South Australian State Library.

THANK YOU once more for your continued support and interest over the years, particularly the advertisers and ETSA who make this paper financially possible.

To those who help with articles and items of interest, our delivery officer - PETER BARBER, our happy gang of staplers who put together the 2000 add sheets each fortnight, and to my printer - Mrs LEONIE CORBELL - my sincere gratitude one and all.

A final thank you to you all for the encouragement and support you have given to me during my years of Editress.
