### COMMUNITY CORNER

Beware all Clubs in the District!!  
There is a danger in becoming complacent. For at least the past 10 years, Scouts have had their troop meetings on Friday Nights. With no school, the following day, the boys have been able to extend some of their activities over the entire night (and sometimes the weekend) much to the enjoyment of all. Is this all to end because of a seasonal Club (in operation for at least 8 years) deciding to make their practice time on Friday Nights this summer?  
I HOPE NOT.  
"A Mum"

### OPTICIAN

Mr JESSOP will be visiting Leigh Creek on September 29 - 30th.  
Appointments as for the Dentist.

### FACE SAVERS!

Too much salt in the soup??  
Add whole peeled potato and simmer 15-20 minutes; it'll absorb surplus salt, can then be discarded.

## WEDDINGS OF INTEREST

A large contingent of relations and friends travelled to Peterborough on the 14th August to be present at the wedding of TREVOR MARONEY and SHEREE WARD.

Sheree looked radiant in her heavy crepe gown which was waisted with a 'V' neckline, long sleeves and trimmed with Daisy lace. Her veil was long and she carried 2 white roses with touches of green.

Leonie Corbell and Barbara Hooper were Sheree's two Matrons' of Honour and looked very sweet in their three layered gowns in buttercup yellow. The long sleeves were trimmed with white lace which also followed the Empire line on the bodice. Chocolate ribbons flowed from the single yellow rose which the girls carried.

Mother of the Bride wore a long yellow crepe ensemble and looked very smart indeed whilst the Mother of the Groom chose Autumn tonings on her long brown elegant gown.

Looking very handsome, Trevor and his attendants' Brian Purdie, and Breyton Ward, wore Chocolate brown suits with bone frilled shirts (trimmed with choc.brown) and completed the outfit with brown bow ties.

Quite a few familiar faces were sighted at the Church of Christ, Elizabeth, where Mr MAURICE LOCK and Miss ELAINE WEDDING were married on the 28th August.

Elaine's beautiful gown was of white crepe, slim fitted and offset by very heavy lace which pannelled the long sleeves and the front of her gown. She completed her picture of sweetness with a 3 tiered veil and carried a bouquet of flowers dotted with blue forget-me-nots.

Two cousins attended Elaine and wore sky blue jersey dresses with a floral bodice which tied at the back. The girls wore ribbon trailers in their hair with small blue flowers attached.

Mother of the bride looked very smart in her long navy blue ball gown and wore a pink corsage and pink beads.

Maurice and his attendants, brother Leon and Reg Wedding, wore dark blue suits with light blue trim and wore red carnations in their lapels, looking very smart indeed.

We extend our very best wishes to both of these couples and all the happiness in their future life together.

## GREEN THUMB

Organic gardeners are welcome to help themselves to the cave fertilizer that has been turning up on the oval every few days.

Fresh manure should be stored for a few weeks or dug into ground not required immediately for planting. Alternatively, soak it in liberal quantities of water for 10 days and pour the liquid onto the garden. This is first class fertilizer and is as cheap as a walk to the oval. Make the most of it while it lasts.

All manner of vegetables can now be planted Summer lettuce, carrots, silver beet, tomatoes, sweet corn, beans and capsicum, to name a few of the more popular.

Peas and sweet peas respond to a side dressing of super phosphate at flowering. Lettuce like some extra nitrogen as they mature to make them green and crisp. This can be supplied with Urea or Sulphate of Ammonia.

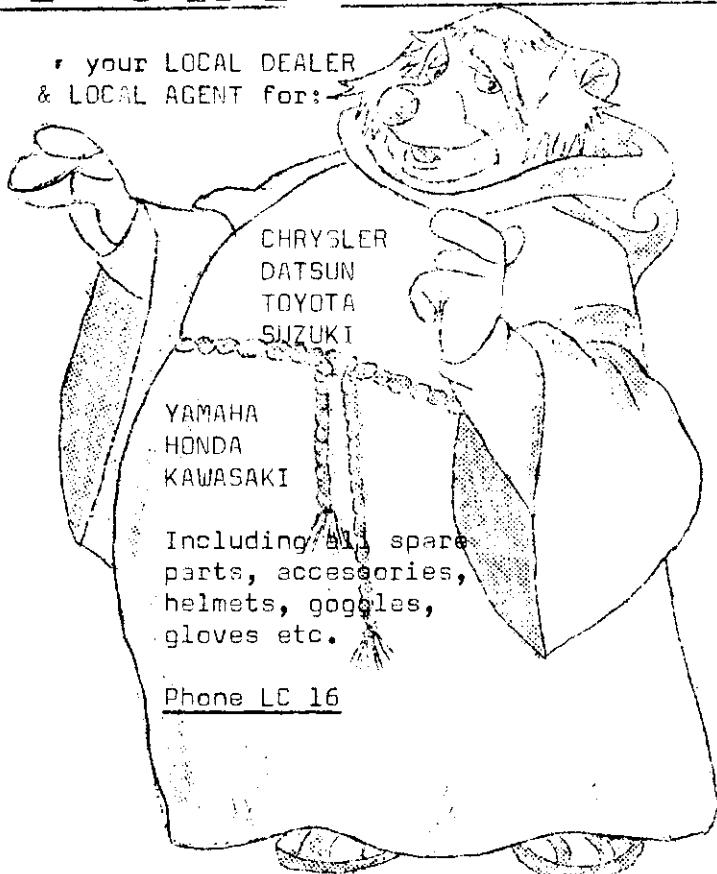

Slugs and snails are pests in LC and can be kept down with snail bait.

Citrus trees in LC frequently suffer trace element deficiencies. These show up a yellowing, either all over, or just between the veins. This can be overcome by foliage sprays with very weak solutions of Urea and Trace Elements available from the Garden Club Shed.

PLEASE PAY GARDEN CLUB ACCOUNTS to Mark INVERARITY at the new Electrical workshop.

October. The floral art and arrangement  
sections are to be expanded this year.

Worried mother went to see the Doctor about  
her son eating mud pies. "There's nothing  
unusual about your son making and eating  
mud pies" the doctor replied.  
"Well, I think it's unusual," the mother  
replied, "and so does his wife."

THE FAR NORTHERN MOTOR-CYCLE CLUB

I think I can safely say that every- one who went to Farina last weekend thoroughly enjoyed themselves. Its certainly not what you would call a spectators sport but the new camp site provided a much better view of the starting line and the course.

Saturday afternoon the Juniors 1 lap Enduro were run and the the outright winner and who received the Len Grace Trophy was Richie Patterson, Gary Fuchs second and Craig Patterson third. The over 80cc class winner was Richie Patterson and the 80cc class and under was Gary Fuchs first, Craig Patterson second and David Kamprod third.

The Womens 1 lap Enduro was won by Mary Siedel who decided to go in it after the others had started. Second was Pam Reid and third Sharon Grace.

Sunday Mornings Womens 1 lap race was won by Gina Richardson, second Pam Reid and third Jane Benecke.

At 11.25am 38 bikes lined up at the start of what turned out to be the roughest toughest dustiest 3 hours we have ever seen. At 11.30 "Brother" dropped the starting flag and 33 screaming bikes left the line and headed for the first creek, 100 yards from the start. One of the first to get away was first into the creek "head first". Then bikes were everywhere and in the dust and smoke, one cheeky photographer was taken out of the creek on the front wheel of a bike.

Somehow everyone sorted themselves out and in the dust the spectators couldn't see much but, at the old camp site corner, in the bull dust some went down? then another and another until 9 bikes lay in a heap and riders everywhere, not knowing how many more bikes were roaring in at them through the dust.

The race and the pace settled down and a few had trouble and had to pull out while others battled on. In the 4th lap Jerry Van Gaspel came down very hard just after leaving the lake, and after being examined by members of the St. Johns was taken to hospital with concussion. A new section was added to the course for this Enduro and the sand and rocks were quite a hazard. The race wore on and riders and bikes wore out until finally at 2.30, 3 hours and approximately 100 miles later 10 bikes were left and the first to cross the line was Ian Ferguson consistently lapping the course between 14 - 15 minutes and I believe his last lap was under 14 minutes.

When the figures were finally worked out, drop-outs crossed off and arguments settled the Tommy Miller Trophy was presented to:-

The Outright Winner	:	Ian Ferguson
Second " "	:	Eddie Nicholls
Third " "	:	Trevor Daws

The class winners were:

Over 250 Mx - First	Ian Ferguson	Under 250 Mx - First	Trevor Daws
" " " Second	Eddy Nicholls		
" " " Third	Phil Patterson	<u>Under 250 Trail Bike</u>	

<u>Over 250 Trail Bike</u>		First	Stephan Adair
		Second	Captain
		Third	Ned Reid
	First Ken Smith		
	Second Tim Hagey		
	Third Marc Siedel		

On the 22nd of August the Club Secretary, Marc Siedel and his family were at the Calder Raceway near Melbourne where a 2 hour Enduro for production bikes was held. Marc, who rode his Kwaka 900, and after going bush once during the race finished 9th outright. Not to bad for a bloke from the bush who doesn't do that type of racing very often.

SUNDAY - 29 Aug - Stableford

Not quite as bad as 'Old Father Thames' who don't roll-along no more, just now, - but almost as bad - we had only 7 balls rollin' along the Fairways todie (as some Poms pronounce it).

Old Father Thames is only temporarily a tired and sluggish trickle and so is our Golf attendance. There will always be new volunteers to replace the tired sentries.

Results: M CAMPILLO - 32 pts (best/day on C/B), J Adair - 32, J Dejanovic - 31 pts.

SUNDAY - 5 Sept - Par

Instead of playing Par we stayed home with Mah, because rain rendered the course unplayable Besides being Uh, La, La! 'Twas Fathers Day as well.

SPECIAL NOTICE - The interseptions TEAMS MATCH scheduled for Sunday, Sept. 12th has been postponed to a day to be announced.

Instead of playing, Members will go out and contribute their afternoon to building the new CLUBHOUSE and COURSE. This was unanimously decided at the Special General Meeting convened, Monday 23 August.

If you want to continue enjoying golf for \$10.00 per year, come out and do your bit. If you can conscientiously contribute NOTHING - and when the 'few' have done all the work - just resume playing, you could be justified if your subs were over \$100.00 per season.

Future circumstances are merely extensions of events which are taking place right now. Whatever is going to be is partly due to the decisions we are now making and the attitude with which we face the situations that confront us.

Without YOUR HELP, subs will soar as surely as Punch-Clocks will infest Leigh Creek if the work-force can't read and heed the signs.

(B REYE - SECRETARY)

IMPORTANT REMINDER

In order to give ALL members a chance to contribute to the establishment of the Club at the new site the BUSY BEE to be held on Sunday 12 Sept., will commence at 12.30pm at the Electrical Shop NF. Remember! the game of golf has been cancelled. Every member is expected to participate in one of the Busy Bees before the end of this season. Please contact the Building Committee for information on work after 4.30pm between MONDAY and FRIDAYS.
