REVUE ON RECENT DRAMATIC CLUB PLAY - "MURDER OUT OF TUNE"

Once again the Drama Club has treated Leigh Creekers to a most entertaining night out with their recent production of "Murder out of Tune".

The plot seemed very simple at the start, but as the play progressed things became much more involved and the final outcome was a surprise to most of the audience. There may have been a lack of action in the play but there was certainly no lack of interest. Although it was a more serious venture than we have heard for a while, the players still gave us quite a few laughs.

This performance was very ambitious but I am sure that all those involved in the production must have been delighted with the final result. "Congratulations" to the whole troupe for a splendid effort. I'm sure that special congratulations are due to the two newcomers to the Leigh Creek stage - Jaqueline Hines and Jeanette Renshaw - they both gave very convincing performances. I wonder what new talent will be discovered in the next club venture.

There was no mention of their next show but let's hope that they are able to manage another show this year.

It was Saturday, and 6 yr old Barry had just seen his first footy game. That night when he said his prayers he said fervently:-

"God bless Mamma;
God bless Daddy;

Rah! Rah! Rah!"
