Bits & Pieces

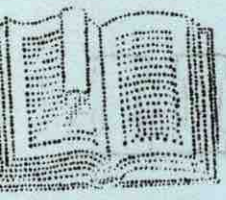

Mrs CHEREE MORONEY is presently in the Queen Victoria - hopefully, news is expected late today.

We welcome home Mrs NADA DJERMAS who has recently arrived back from her visit to Yugoslavia.

A very well attended, and enjoyable evening was conducted last night in the St LUKES Church to Commission the Rev. CHRIS CLERKE to his new Parish. We extend a sincere welcome to Chris, Maralyn & family and trust their stay in our town and District is a happy and fruitful one.

We also extend greetings and 21st birthday wishes to LOUIS BURROWS who celebrated her birthday with the Graham family and friends.

There seems to be a surplus of eggs at the moment by the splattering evidence on cars and buildings. I hope the offender(s) remember this when they are HUNGRY one day.

In the excitement of television, free lending library and other diversions, please do not forget the CWA Library which has been operating for you, for a great many years.

I am afraid we cannot offer movies, cassettes, or even toys and we cannot offer a free lending service.

However, our library is a non profit making concern, run by an entirely voluntary force; in other words, no one is paid for their services. Our only source of income with which to buy books is derived from book fees.

BUT, we can and do offer a large range of the latest fiction of all types. Book purchases are being made constantly, and we try to cater for all tastes, with well over 3,000 books.

COME in and SEE FOR YOURSELF.

The Library (next door to the Cinema), is open from 7.00pm - 7.30pm on TUESDAY, WEDNESDAY, FRIDAY & SATURDAY of each week.

CRICKET NEWS

On SUNDAY 6/11 TOWNSHIP came out on top after a very low scoring, exciting game in which, once again the bowlers had the better of the batsmen.

TOWNSHIP 51 - Little 15, Schilling 10, Ellis 8; Byrnes 2/6, Wooldridge 2/12, Menz 2/14.

SCHOOL 50 - Byrnes 30, Menz 12, D Williams 4; Bock 6/12, Daly 2/1, Litchfield 2/9.

After a poor score of 50 by School the game developed into a real "heartstopper" with Townships fall of wickets at 10,10,10,19,19,37,50,50,51 & 51. The only real difference between the two sides were 2 overthrows when Townships score was 47.

On Sunday 13/11 TOWNSHIP were once again the victors in a game that finally showed that with concentration the batsmen can get on top of the bowlers.

TOWNSHIP 7/139 - Ellis 55 n/o, G Litchfield 38 n/o, Keenan 16; Shooter 2/15, Ford 1/32.

PRODUCTION 94 - Fee 30, Todd 16, Fuchs 13 (retired hurt); Slade 4/18, Bock 2/14, Daly 1/9.

After a disastrous start by Production at 6/24 Captain Fee and Todd batted sensibly to take the score to 61. Fuchs then showed concentration for his 13 runs before a trip to the Hospital with a gashed eyebrow was necessary.

(cont..)

In conditions that favoured the bowlers all day, Ellis showed his class in scoring 55 n/o ably assisted by G Litchfield with 38 n/o. Two costly missed catches early in the innings helped Township to walk away with the game.

Special thanks to the Umpires "DINO" and "THE GREEK" for a job well done.

CATCHES - LITTLE 3, Fee 2, G Smith 2, P Smith 2, Moroney 2, Gillespie 2, Mafrici 2, McIvor 2, Canham 2.

NEXT WEEKS GAME will be held on SATURDAY, 19/11 between SCHOOL and PRODUCTION due to the "Motocross" meeting on Sunday. Players to be at the ground at 12.00 noon sharp. There will be NO dinner break and NO BBQ after the game due to the CABARET.

LEIGH CREEK PRE-SCHOOL KINDERGARTEN
(NOTICE OF INTENTION TO BECOME A BRANCH KINDERGARTEN)

At a recent meeting of the LC Pre-school Kindergarten Committee, it was decided to apply to the Kindergarten Union of Sth Australia for Branch Status.

Since the beginning of the first term of 1977, the Leigh Creek Kindergarten has been an Affiliate Kindy of the Kindergarten Union. This association with the KU has meant that the teaching staff are now finally being paid a salary commensurate with their duties. Additional financial grants have also been made to assist the committee with the payment of insurance, paint supplies, and cleaning costs etc. As an affiliate the committee has autonomy in -

- (1) Operating the Kindergarten -
- (2) Appointing Staff -
- (3) Handling finances and providing equipment.

However, the affiliation with the KU has also brought with it a significant increase in the work load on the committee and in the complexity of the finances handled by the Treasurer. The bulk of this work load and book-keeping would be removed if the Kindergarten were to become a Branch.

As a Branch Kindergarten, the KU would administer the Kindergarten, assuming the responsibility for staffing wages, insurances, other

(cont..)

operating costs and for the basic equipment and the building. This would then allow the committee to devote more of its time to fund raising and working bees, to improve, add to and maintain the equipment and grounds of the Kindergarten, and to organise and finance other Kindergarten activities.

For the above reasons, and others, the committee feels that for the sake of the kiddies attending the Kindergarten now and in the future, there are definite advantages in becoming a Branch Kindergarten.

Persons with any queries or comments are invited to discuss them with either the President BOB ALTHOFF or the Secretary PAM MALKIN.

RESOURCE CENTRE - Would all members please return their toys and books by FRIDAY, 25th November to enable the committee to check all toys.

WARNING

Those people, particularly children, who persist in teasing and throwing stones and things at our dog or entering the yard, do so at THEIR OWN RISK.

J & J MEWS, 21 South Tce.

'Note from the Editress'

We have received a lot of defence regarding our 4 legged friends (see last issue). Apparently there is a lot of teasing, throwing of stones and poking at with sticks, going on toward them. Remember! Our pets are entitled to defend themselves too when provoked.

Mrs JOYCE MERRICK wishes to thank Dr Birdsey and Hospital Staff for all the help given to her during her recent stay in hospital. Special thanks to the friends who sent cards, flowers and gifts.

CONGRATULATIONS to ALEX & BABS GIBSON who celebrated their Silver Wedding Anniversary (25th) with family and friends at a dinner held at the "Gate House" - Adelaide, on 12th November.

MARK & EVELYN ("Fitzie") DONDEC are now at the ETSA Institute Club and they would like to pass on greetings and extend a welcome to all their friends to pop in and see them, either at the Club or at their home situated at -
24 Litchfield Crescent, Wilsden, PT AUGUSTA.

Nice to see Chris and Jenny TURNER and little daughter LOUISE home holidaying with Jenny's Parents, Bill and Shirley Knott. We know your stay was a happy and enjoyable one.

A new record (as far as we can ascertain), has been set and will probably never be broken in the announcement this week that Mrs PAM REID had won the Fairest & Best award for the Badminton Club. This has added to Pam's other Fairest & Best awards - Netball & Softball - and must surely earn her the title of "LEIGH CREEK'S 1977 SPORTSWOMAN OF THE YEAR".
Congratulations and well done Pam.

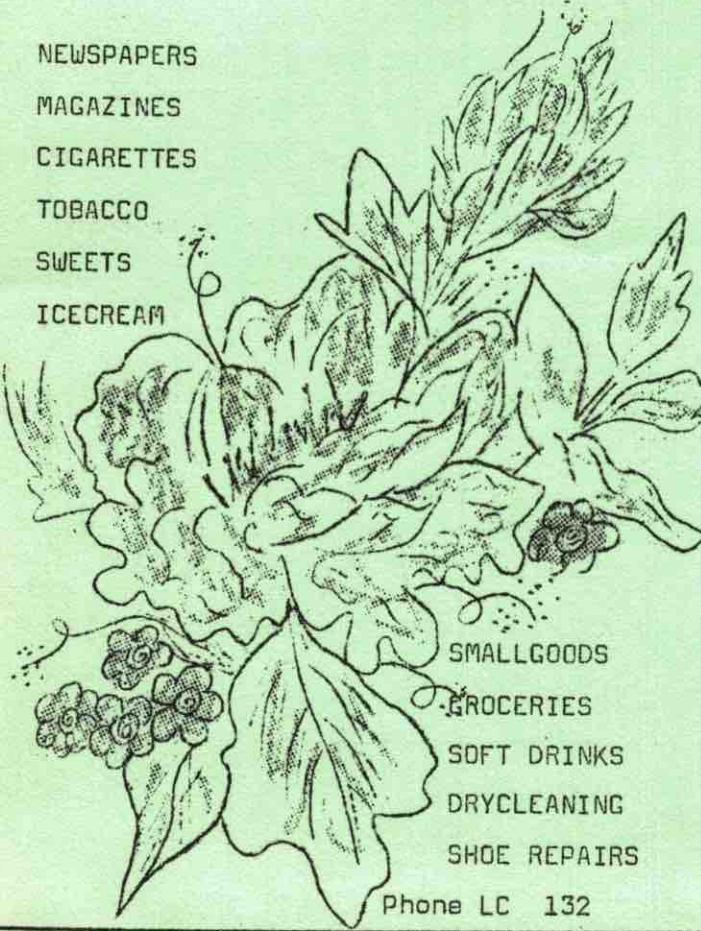

RAT OF THE WEEK - Two people that we know of, received cuts from some beer bottles that were deliberately smashed on the Basketball/Netball courts on Sunday. We wonder if the irresponsible person/s that did it are satisfied with the fruits of their labour!!

AN AXIOM (OR TWO) A DAY

Murphy's First Law - If anything can go wrong, it will.

Mrs Murphy's Comment - Murphy was an optimist.

Murphy's Fourth Law - If there is a possibility of several things going wrong, the one that will cause the most damage will be the one to go wrong.

Jones' Law - The man who can smile when things go wrong has thought of someone he can blame it on.

The How Come It All Landed on Me Law - Whatever hits the fan will not be evenly distributed.

Grandma's Axiom - A chicken doesn't stop scratching just because worms are scarce.

The Golden Rule - Whoever has the gold makes the rules.

Wilkerson's Law - The anatomy of any group includes 4 kinds of bones:-

- 1) wish-bones - go along with any idea but want others to do the work;
- 2) jaw-bones - talk a lot but do nothing;
- 3) knucklebones - knock everything everyone else does;
- 4) back-bones - who do all the work.

Fandel's Rules for Administrators -

- 1) Hide!
- 2) If they find you, lie.

Imhoff's Law - The organization of any bureaucracy is like a septic tank - the REALLY big chunks always rise to the top.
