PISTOL CLUB NEWS

At the "Spencer Gulf Trophy Shoot" hosted at LC last weekend, competitors from Whyalla, Woomera, Port Augusta and LC battled the elements to shoot the team events for the handsome trophy. Whyalla team were the "best shots" for the W/E and beat LC by 247 points (out of 7200), with Pt Augusta 3rd, and Woomera in 4th position. Individual scores were not as good as expected in all instances, and we can only blame the weather conditions (plus the Canteen) for the majority of the poor scores. We enjoyed an excellent social night at the Canteen on the Sat., and tried our best to "nobble" the visiting shooters (succeeded in a couple of instances too) and concluded the weekend with a BBQ and the prize giving on Sunday. Unfortunately, we could not keep the "Spencer Gulf Trophy" at LC, but with the margin between the team scores marrowing each year, we will certainly try that little bit harder at Whyalla next year - and who knows?

Many thanks to all who assisted in anyway to make the weekend a success - especially the good ladies for their catering efforts and smoko sessions.

Letter to the Editress:

Dear Val,

"AU REVOIR"

Although I am leaving the Trust, my wife Coralie and I will be thinking of you all up there at Leigh Creek when we go on our overseas trip next year, mainly because we will be traveling through so many home countries of you people that have migrated from Europe to LC.

Your very generous gift of money was very much appreciated and will enable us to purchase our cases and overnight bags for our tour, thank you very much one and all.

Special thanks for the kindness and friendship that you bestowed to our daughter and son-in-law, Robyn and Gerald Place, both when they lived at Avondale and then at Leigh Creek. At the time of my recent 60th birthday celebrations when we were altogether, they asked that I pass on their regards to you all when I visited Leigh Creek.

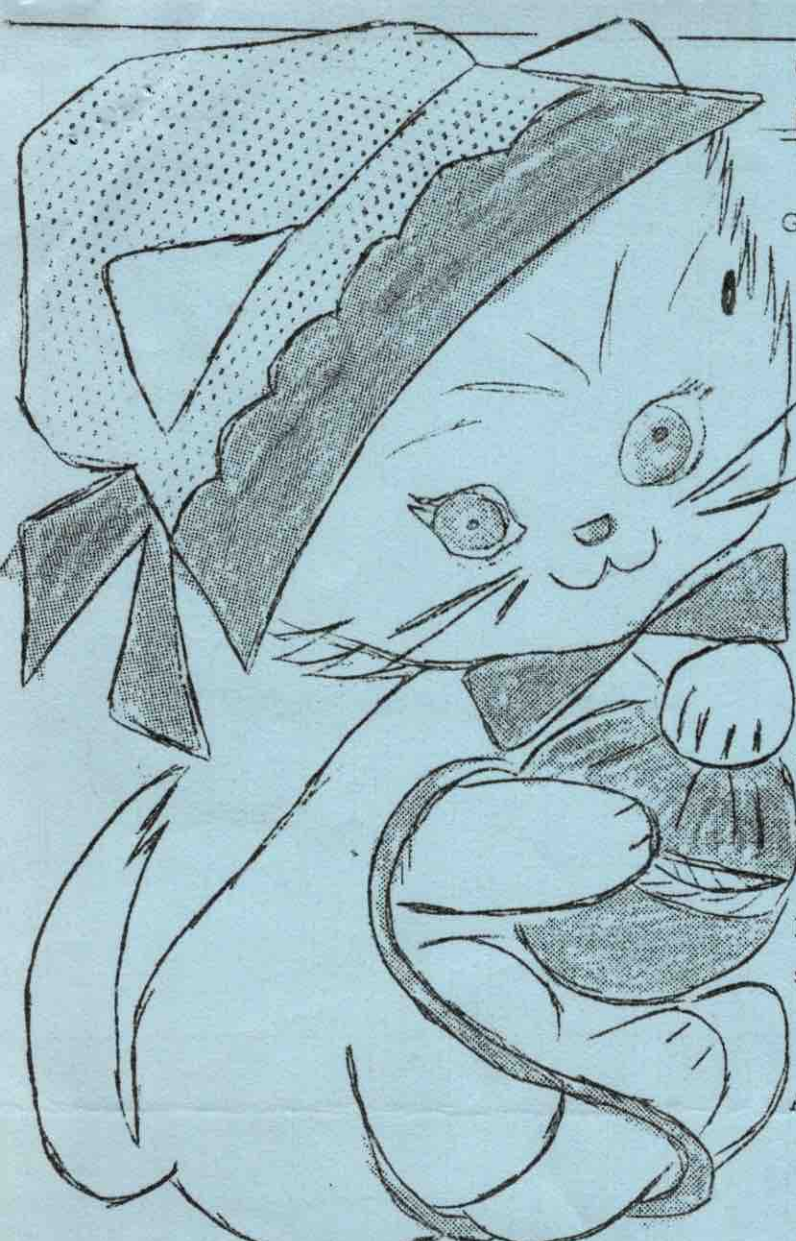

I have not managed to see you all during my quick trip (my last 2 days in the Trust), but as I said, this is only Au Revoir until we return from overseas when we hope to take a trip up, either that year or the next, to see you.

My 22 years association with youthere at LC are ones that I will never forget and once more thank you for your kindness and friendship during that time. Sincerely, NEV SOWARD

Sunday, 10 October - STROKE

Four players, reminiscent of the "Three Musketeers" plus Friar Tuck of Sherwood Forest, converted the foursome to a twosome, with Friar Lucas and J Adair teaming against F Reed and M Campillo. With such a combination - all for one and one for all and displaying the good-natured roguishness and camaraderie of their famous forebears - everything that could happen did happen during their adventurous 18 hole outdooring.

Adding scores indoors, they discovered the net results were equal. Disinclined to play an extra hole, they resolved the day's winner over a pool-game, resulting in a win to F REED/M CAMPILLO. Such disregard of conventionalism seemed proper in the prevailing atmosphere and radiated the charm of innocence.

Best individual score - J Adair Ah-dair
 Drawing golf-ball ticket - J Adair you to do
 Winner of golf ball - J Adair it again.

Monday, 11 October - MIXED DAY

Players were perspicuously conspicuous by their absence. (Nothing to mix).

Sunday, 17 October - CLOSING DAY - STROKE

A muster of 20 players brought 1976 Season to a successful conclusion. It was "champion" to have with us - Mesd., D Slade, P Ragless, H Hughes, M Gray, E Blieschke, S Probert and M Dorton. (These 7 ladies won 3 trophies, the 13 men 2 trophies).

A Madam hasn't gotta get 'er' air curled or 'er' face lifted, or thumthing to be made welcomed, just bring your unique self, there's no one else just like you.

L DORTON brought in the best score of the day (64) - 'E's' only little but e's all there.

It was nice to host so many husband & wife combinations - Mr & Mrs Ragless, Slade, Gray, Probert, Dorton, Reed and even Eric Blieschke graced us with his presence, as did also visitors, Miss H Hughes and Mr G Humphrey and last but not least - the charming daughters and sons of Mem-

Yours sincerely,

JEAN T KELLY

It is a pleasure to say that Leigh Creek's total of \$3,244.73 raised in 8 weeks caused quite a few comments in Adelaide.

My thanks also go to my parents, the Gibson family and everyone-else who gave me personal support and made me proud to represent Leigh Creek in the Miss South Australia Quest.

Many thanks CAROL
