Bill & Karen

The sun shone brightly as Mr IAN WARD proudly escorted his lovely daughter Karen to the church door last Saturday.

Karen's gown of crisp Swiss cotton was styled from the old English era with the many small ruffles and frills. The back was particularly eye catching as it was here that the frills of the dress and her long train met in the form of a bow. Karen's 3 tiered satin bound veil was an unusual medieval length and was held in place by a sweet shirred Swiss cotton bonnet. To complete her outfit Karen carried a bouquet of white roses sprigged with green.

The bride's sisters Leonie and Sherree were her attendants and their dresses of soft silk crepe of the palest apple green, were wonderfully brightened by bouquets of red roses and red bands in their hair. Styled on similar lines to the Bride's gown, their frocks had shirred sleeves and were fitted to the waist. The upper bodices were very softly gathered with a large tie at the back.

Karen and the bridesmaids hair styles of sweet bouncing curls were very apt for the overall picture of femininity.

The groom BILL DAVIES was assisted by Jack Corbell and brother Glen. The boys wore suits of bottle green, offset with black lapels, cuffs and shoes. They wore pale green shirts and had bottle green bow-ties to complete their very handsome outfits.

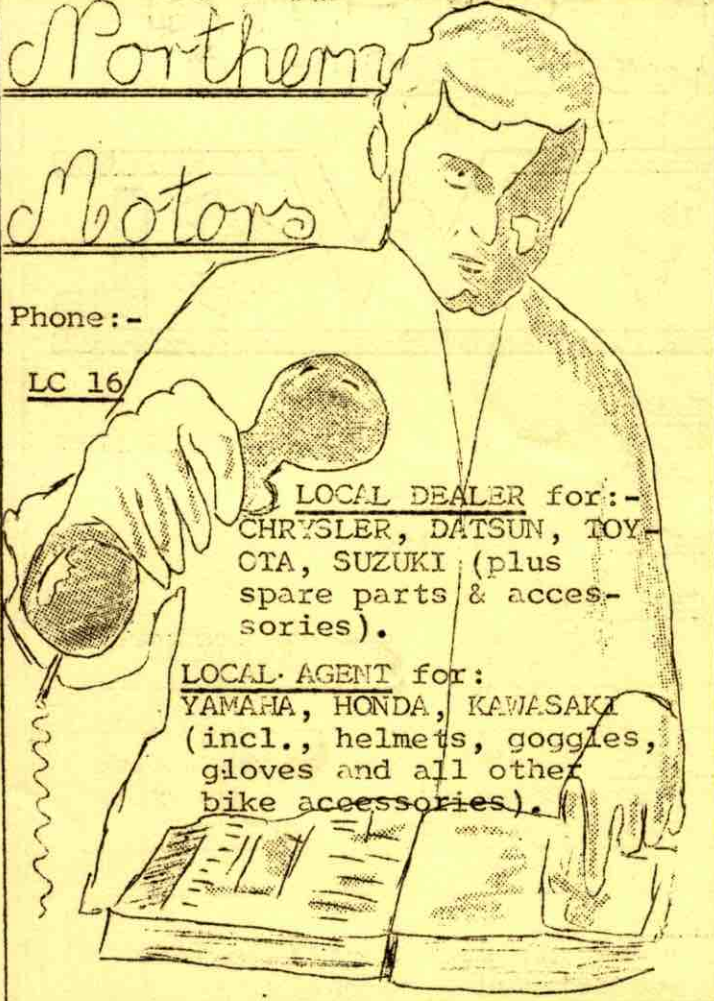

Mother of the Bride Joy, wore a very pretty pale aqua and white crimplene frock with white shoes and handbag while Dorris Davies, Mother of the Groome, chose brown and white for her smart ensemble of linen. Brown accessories completed her outfit.

After the ceremony in the Interchurch, Mr & Mrs Ward entertained approx. 150 guest in the RSL Hall at a beautiful reception catered by the CWA ladies. IAN & JOY would like to thank everyone for helping to make Karen & Bills wedding day the happy and memorable occasion it was.

ST JOHN AMBULANCE BRIGADE

On behalf of the LC Section of the St John Ambulance Brigade, I would like to thank the people who gave their services as standby ambulance crews recently when our ambulance was involved in an accident resulting in injury to two ambulance officers.

I would also like to clear up a misunderstanding that the St John Members are paid. This is entirely untrue and members receive no payment in any shape or form. We are able to function as an ambulance service mainly because of the assistance given by ETSA who provide the ambulance and its equipment. We are also able to purchase equipment with monies donated by local sporting committees.

The garden competition serves a very useful function in giving residents goals to achieve.

Selecting the best street was a particularly difficult task as all streets appeared to have several very poor gardens, where no maintenance was carried out. It is a pity these people couldn't be compelled to improve their surroundings.

Whilst there are a number of good examples of European-style gardening, it seems a shame that no-one is motivated to produce a garden of Australian plants. There are many types of Australian shrubs and groundcovers which could be tried in the area.

It would, I am sure, be advantageous to make prize-winning gardens open for public inspection. It seems a pity that the pleasure gained from these gardens is confined to the owners and the judge. Open inspection would also allow other residents to see the standards which can be achieved in culture and maintenance.

All prize winners are to be congratulated for the high standards attained. Those who didn't win prizes need to try a little harder next time and those who didn't enter, should make a firm commitment to enter next year and start planning towards that end.

(J.A.E. WHITEHILL)

REPORT ON GARDEN COMPETITION - 1974

The number of entries (59) was down, when compared with the last couple of years. In the Suburban Restricted Class, there were no really outstanding gardens and the marks achieved were relatively low.

The Trust will, no doubt, be pleased that their own Head Gardener produced the Champion garden.

In the suburban group area, the entries were pleasing and the standard high. Also high praise is given for the top two vegetable gardens.

Clive Wyndham chooses the wrong year to rebel against the Christmas racket. Just as he is refusing to spend a penny on Christmas cheer, rich Uncle Melvyn arrives from Australia. He demands a truly Dickensian Christmas. Moreover, he has a lively eye for the ladies. This entrances cousin Delia, now thrice a widow, who has also descended on the Wyndhams. To cap it all, just after the humour that he has lost all his money, Uncle Melvyn has an attack on Christmas Day. Delia nurses him tenderly and is rewarded by his recovery and a fourth husband - one even wealthier than was thought. Happily, everyone shares in Uncle Melvyn's bounty.

+++++ Yoga!

Last month 4 brave women fronted up for the Yoga class and all received quite a shock. We expected to be faced with some very awkward and unusual positions and instead found the 1½ hour class the most relaxing we had experienced for quite some time. No stiff muscles next day either. These 4 ladies and we certainly hope a few more as well, will be pleased to hear that Mrs DOROTHY HENDER, registered member of the Australian & International Yoga Assoc and with the 5th Aust Adult Education will again be visiting LC on Sunday 23rd November. This class is open to MEN, LADIES, BOYS, GIRLS aged 10 years to 100. Come along to the COMMUNITY HALL at 2.pm - don't be shy. Wear something that you can move comfortably in and bring a rug, mat or sleeping bag to work on. The later seems to be the best. A small fee will be charged probably around 50 cents. People interested are ask to give their names to Mrs Val Rappold. If insufficient numbers, Mrs Hender could be stopped from making the long trip up here, so hand your names in early please.
