### NEW LEIGH CREEK

PEST PROOF FENCE - Spencer Gulf Plant & Hire have completed the erection of approx 8 km of pest proof fencing around the new town site. All grazing stock have been removed from within the area and all rabbits eliminated.

If you visit the town site please ensure that you SHUT the GATE after you.

TREES - Nearly 4000 trees have been planted in the buffer zone between the residential area and the main North-South highway.

Preparations are now being made to plant approx 900 more along the Northern perimeter of the township. The trees are planted on a drip irrigation system which controls and limits to a minimum the quantity of water applied.

Because of the young trees now planted in the area it is important that visitors to the site keep their vehicles ON ESTABLISHED TRACKS.

### HOUSING, TOWN CENTRE, CIVIL WORKS

The Monarto Development Commission has all but completed the housing specification. However, it will not be put up for tender until a clear

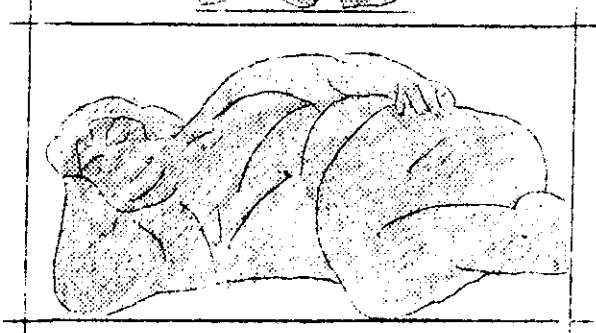

policy for development of the new town is established by the State Planning Authority. In terms of the whole project this should not affect the time schedule as this time will be used to push along the detailed planning and design work of the Town Centre and civil works (water reticulation, sewage disposal, deep drainage etc).

WATER USE AT NEW LEIGH CREEK - The MDC was requested to look at various aspects of current and future water use at Leigh Creek and New Leigh Creek to ensure that any necessary servicing requirements could be incorporated in the initial design of the township. Their report has been received in draft form and their final report should be received very soon.

### LANDSCAPE

Landscape guidelines for the new town have been received from the MDC. This report outlines the type of landscaping which should be used for parks, town centre, streets and private homes in the new environment. Aspects of landscape development relate to all other aspects of the development and need therefore to be considered at the detail design stage of the town centre and civil works.

**TENNIS NEWS**

After an even start to the GRAND FINAL of the "B.P Cup" series on Thursday, 8 December, TOWNSHIP BLUE drew away from Copley to win 11 sets to 7.

Conratulations to the winners and all who played in this series and for the sporting attitudes displayed at all times.

A very big THANK YOU to all who umpired during the finals. If you're looking for a way to occupy yourself for an hour or so in the near future, there's a few(?) lines that need some attention.

**ADD KIDS!** - COACHING for youngsters will continue through the holidays on THURSDAY nights - started THIS WEEK at 7pm. Adult assistance will be much appreciated.

(L WALFORD - PRESIDENT)

**CRICKET NEWS**

On SUNDAY 4th December PRODUCTION were the winners over SCHOOL. In a side that was short of regular players School hit their highest score for the season and still went under by 7 wickets.

**PRODUCTION 3/96**

P Smith 25, Fee 55 n/o, Place 6 Ford 5 n/o, Van Zetten 3, Menz 2/23.

**SCHOOL 93**

Gillespie 35, Clarke 4, Van Den Yssel 6, Mafriqi 3, B Williams 15 n/o, Menz 6, Canham 14, D Williams 0, Barber 0, Woodridge 0, Drysdale 0, Reye 3/2, Ford 2/21, Van Zetten 2/26.

For the winners FEE continued with his run of good scores, P SMITH scored a hard hit 25 and PLACE did the job that was asked of him. REYE bowled accurately for his 3/2 as did FORD with 2/21.

For School GILLESPIE with his 35 was the best of the batsmen, some of his cover drives were first class and it was good to see this player not amongst the runs. B WILLIAMS batted well for 15 n/o but RAN out of PARTNERS. MENZ was the only successfull bowler with 2/23.

**CRICKET NEWS (cont..)**

On SUNDAY 11th December, PRODUCTION started underdogs against TOWNSHIP in the GRAND FINAL and sad to say this was how the game finished with a difference of 13 runs.

**TOWNSHIP 138**

Ellis 0, Keenan 16, G Litchfield 2, Bock 49, Slade 2, Schilling 0, K Smith 30, Hickey 2, Aubert 30, G Smith 0, J Litchfield 3 n/o; Van Zetten 4/18, Fee 4/18, and Van Gasteren 2/13.

**PRODUCTION 125**

P Smith 47, Place 0, Fee 34, Ford 15, Van Zetten 4, Jury 1, Van-Gasteren 0, Fuchs 3, Moroney 6, Taylor 2, Reye 0 n/o; G Litchfield 3/11, Schilling 2/28, J Litchfield 2/35.

TOWNSHIP started off very slowly with the first 15 runs made in 11 overs and were in real trouble at 6/80 after 28 overs in a maximum 35 overs game. Some big hitting by the tailenders pushed the score to 138 before the last batsman was bowled in the 35th over. BOCK again topscored with his 49 in very hot conditions, K SMITH certainly boosted his average with his 30 and "Dougic" AUBERT took to the long handle for his 32; he hit 4 sixes and one Toyota for a total of 5 points, VAN ZETTEN and FEE with 4/18 were the best of the bowlers, helped by VAN GASTEREN'S 2/13.

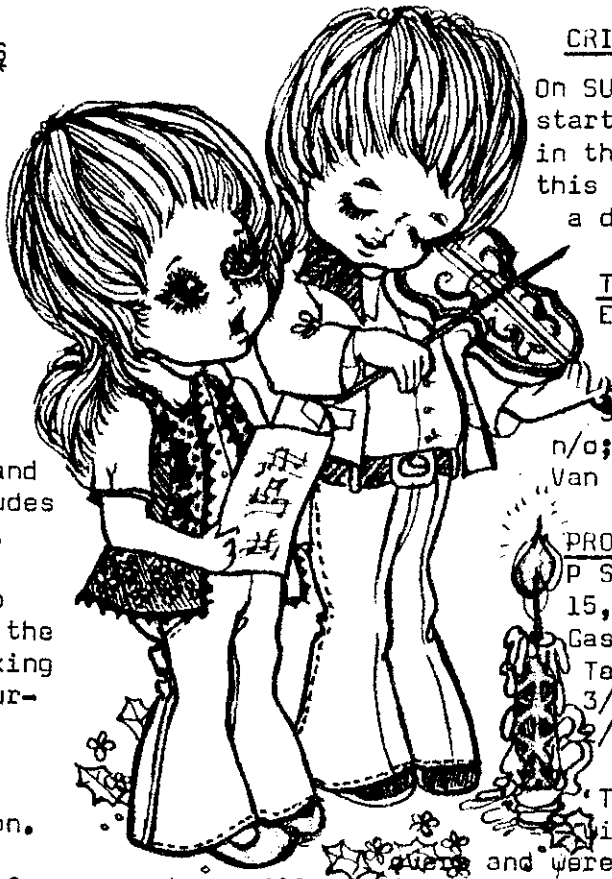

For PRODUCTION P SMITH with his 47 topscored and FEE was once again amongst the runs with his 34. FORD with his 15 runs, good bowling and excellent fielding put in a good performance. The LITCHFIELD brothers bowled sensibly and SCHILLING was the best of the other bowlers.

**TROPHY WINNERS**

- Best Junior - D WILLIAMS
- Best Fielder - B McIVOR
- Most Catches - P LITTLE
- Batting Ave. - G LITCHFIELD Ave = 48.0
- Bowling Ave - S DRYSDALE - 5 wickets Ave = 2
- Bowling Agge. - M BOCK with 13 wickets
- Batting Agge. - R FORD with 74 runs

The shield was presented to A/Captain D ELLIS in the absence of PETER LITTLE who unfortunately could not be there due to the recent death of his father. Peter is to be congratulated on his organization of the Township side who have certainly proved that they were the better side over the season.

Cricket now goes into RECESS until after Christmas with a game against PT AUGUSTA POWER STATION players on 5th Feb. at Pt Augusta.
