Swimming Pool News

It now seems that summer has started and we are now running all sessions subject to the temperature being over 75°F.

Our new attendant is settling down into the job and seems to be getting good co-operation from pool users. However, we would like to remind everyone that the rules set by the committee are for the safety and benefit of everybody.

Running One child has been hurt when he slipped and fell when running. He had been warned not to run only a few minutes before. It could happen to you!

Dogs Obviously we cannot have all the town dogs in the pool. If your dog likes to follow you make sure he is fastened up before you set off to the pool.

Toddlers Pre-school children are not allowed into the pool unless accompanied by a parent or an adult (over 18 years). This person must look after the toddler. Our attendant cannot be responsible for these kiddies.

Little Pool We ask pool users not to walk through the little pool to avoid unnecessary contamination of the water. Adults are especially requested to set a good example.

First Aid Exercise As you may know there is an emergency rescue procedure set up in case of emergency. On Sunday at 3.30 pm the St John will go through the full procedure with a "drowning" swimmer. The attendant and the ambulance first aiders will be available following the exercise for instruction on mouth to mouth resuscitation and to answer questions.

Bicycles Pool users are requested to park bicycles in the racks provided.

If your bike won't fit in the rack park it off the walkway on the southern side of the entrance. Don't lean it on the wire gate - this gate has to be opened for the ambulance in case of emergency.

Club News Training is in full swing and our first carnival will be Peterborough, 9 January. It is planned to leave Saturday and return Sunday. The Peterborough club have offered billets. Names of swimmers who wish to go will be collected on Sunday when we should have an idea of costs.

Learn to Swim We have only four or five adults at this clan - what about the other adult non swimmers? See you at noon on Sunday?

PANTOMIME Friday 10th Nov. 8.pm dress rehearsal. Adults and High School children are invited to this rehearsal. Adults are encouraged to attend this performance in lieu of the Christmas tree show. SILVER COIN collection in aid of Christmas Tree fund.

We extend a hearty WELCOME to Mr Andrew MAXWELL who has recently travelled out from Scotland to spend holidays with daughter Etta, son-in-law JOHN FRANCE and family. Mr Maxwell is the "mystery" noise (bag pipes) that we have been hearing.

The wedding of ROBERT JAMES SMITH and PATRICIA ANNE WEYMOUTH was solemnised in the Inter church by Rev. A. George on Sat. 4 December.

Pat looked absolutely radiant in her Edwardian frock of ribbon, chiffon and lace. Her lovely long train was caught at the centre back by a large bow. Small buttons followed the ribbon on her front panelling. Her three tiered finger tip veil fell softly around her shoulders & her headpiece was a cluster of white roses. Pat carried a trailing bouquet of white roses.

The three sisters of the bride, (Mrs Rachael Davies, Susan & Karin Weymouth) looked contrastingly lovely in their Canary yellow chiffon long gowns. The bodice was ruffled and was offset at the waistline by a gypsy type lattice belt. Yellow ribbon was threaded through their hair and they carried lemon bouquets.

Mother of the bride wore white slack pants with a lovely muted coat top. An orchid shoulder spray gave the final touch of elegance to a modern outfit. Mother of the Groom (Mrs Schulz) wore a teal blue lace ensemble with a matching hat and looked very smart.

Robert was attended by his brother Peter, Malcolm Davies and Eric Weymouth. The boys looked very handsome in their dark suits, white pintucked dress shirts and large velvet black bow ties.

Nice to see the following ex Creekers back with us on holidays recently. Mr RON CLEMENT and daughter WENDY who have been visiting with Mr & Mrs J. Hirsch, and Mrs BOBBY GULEY - visiting with Mr & Mrs Bob Merrick.

CONGRATULATIONS to CLAIRE Dorton and EDDIE McNeil who were married in Adelaide on the 1st December.

THANK YOU letter has been received by the Youth Club from the Crippled Childrens Assoc. - "Down every Street" appeal for the \$66.39 collected and sent down from Leigh Creek.

Mrs JACKY HINES wishes to announce that from the 20 Jan, to the 7 Feb 1972, the Salon will be closed.

Mr & Mrs E SUNDBERG and Mrs Lorimer have been spending a few days holiday at LC with son/nephew 'Tas.' We trust they enjoyed their stay.

Sorry to hear Mrs Faye Rousseaux has hepatitis. Best of luck to A. N. Other who will attempt Jill in the Pantomime*****

Glad to hear the MATHEW McLAGLEN is slowly on the mend after his recent operations. "Get well quick wishes" to you Mathew.

Our delivery Officers' - suitably identified, will be calling on you sometime during the next week for your subscriptions of 50 cents for your 'Topics'. We hope you will receive them kindly.

POSTAGE - for those who receive their 'Topics' through the post - your subs become due at the beginning of 1972. Because of the Editress being on holidays (mid year), and the uncertainty of just what will be arranged, then we will work on six months (13 issues) only. Subs 30 cents + stamps 90 cents = \$1.20.

A MATINEE of "All your Very Own" will be staged in the Community Hall on SUNDAY 19th December, commencing at 2.pm sharp. Adults 50 cents children 20 cents. Tickets available from either Admin (from 13th) or at the Hall on the day.

Mrs JOAN ASHCROFT announces that she is now taking enrolments for her 1972 Classes. These Classes will be limited in size so please contact her at 9 Third Steet as soon as possible.

ALSO - there will be two evening classes for Adults.

Would all notices, articles etc., for the next 'Topics' please be handed in by Monday 20th, as the delivery will be made on Wednesday evening or Thursday morning 22nd and 23rd Dec. Because of the holiday arrangements there will be no issue on the 6th Jan, first issue for 1972 will be - 20th Jan.

The most important thing a Man can do for his children is to love their Mother.

B B A N N I S

"Township" won the B.P. Cup Competition last Friday evening by defeating Telford 12 sets to 6. It was a just reward for Town who came through the competition undefeated and we congratulate the captain Geoff Thomson on their success. (Geoff will not be with us next year so a few No 1 players from opposing teams will be breathing easier when the next competition starts in February.)

In the knock-out Preliminary Final on the preceding Tuesday, Telford defeated Northfield 9 sets, 77 games to 9 sets, 75 games. (Squads of Northfield players checked and re-checked the score sheets for an hour afterwards but they couldn't make it any more than 75 games!)

At the conclusion of play the President Mr Gibson presented a cardboard replica of the B.P. Cup to the captain of the victorious Township side.

The two trophies donated by Mr & Mrs E Soward of ETSA Adelaide, for the most consistent players in the competition were won by Libby Hirsch with 93.75% and Garry Fisher with 79.06%. Runners-up were Chris Thomson with 88.21% and Peter Smith with 75%. Congratulations to Libby and Garry on their success and many thanks to Neville and Mrs Soward for giving our players something to aim for.

There will be no organised tennis now until the W R Ferguson Cup Competition commences about the second week in February.

C R I C K E T

Results of recent matches:
SUNDAY 28-11-71.

Town 76 runs (Smith 26; James 16; Wilton 4/15; Fisher 3/25) defeated School 69 runs (Ziecmanis 31; Wiles 4/14; James 2/12; Daulby 2/13).

The heroes of this match were undoubtedly P Smith and D James who came together with the Town score at 7 for 34 and pulled their side out of a very sticky situation. For School, B Wilton & G Fisher bowled well to share the honours.

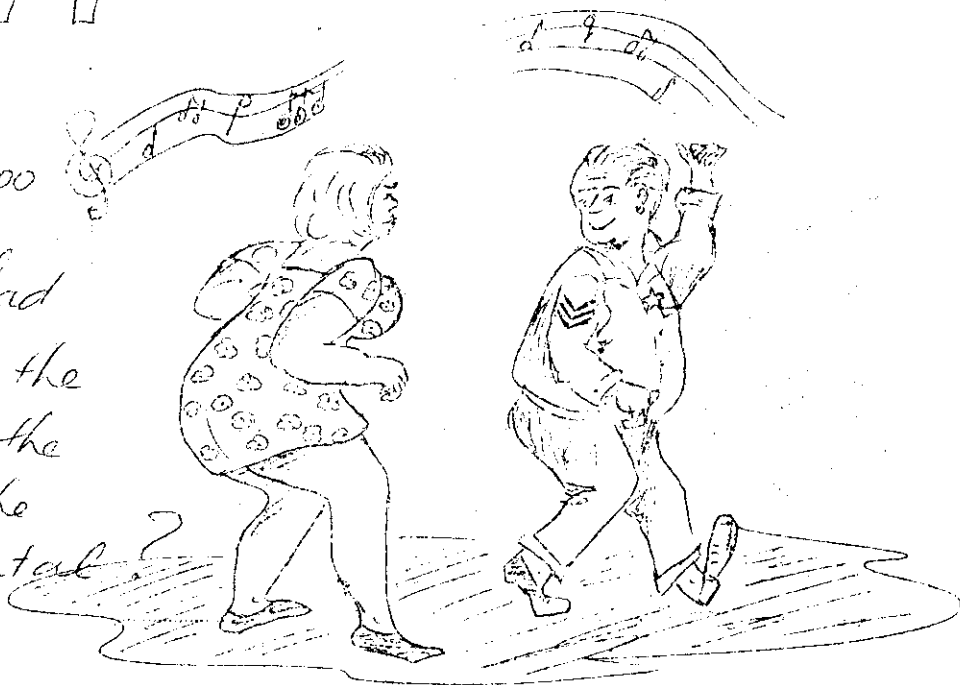

On Sunday 5-12-71, being very short of players, we tried a 2 wicket competition for a change and it went off very well. Seven pairs of players took part and as each draw was played off, one pair dropped out. Each batting pair was allowed four overs and they had to score as many runs as possible in those four overs. Chad and Bevan Wilton, starting at odds of something like 100/1, gradually eliminated all their rivals with an air of professional ease and won the final by 45 runs to 24. The "Player of the Match" was undoubtedly Bevan Wilton who personally knocked up 42 runs in the final (4 sixes and 2 fours!) and whose tally of sixes for the day was seven.

And as for Chad, well, as from now on you can open the batting for Township. We know your capabilities after that stubborn, swash buckling 18 on your own in the first match.
