They are precious in his sight,

covered winters day.
Everyone is beautiful in their own way,

Leigh Creek honours Mrs A PENGILLY with a "Life Membership badge". Kept a dark secret, the members of the Leigh Creek Branch were delighted that their President did not stumble on this knowledge. The Vice Presidents, Mesdames J. Johnson and A Craigie read the citation and pinned on her Badge. Flowers flown from Adelaide were all part of the surprise.

Mrs Pengilly's interest in CWA began when she joined as a foundation member at Cobdogla, serving on the inaugural committee and later became Secretary, then for a number of years Vice President until transferring to the newly formed Radium Hill Branch. She was still living at Cobdogla so did not attend this Branch's first meeting but a request by letter led to her being elected Handicraft Secretary in her absence. She was a resident by the time the 2nd meeting was held. This was followed by seven years as President of that Branch right up to the closing of the field when she transferred to Leigh Creek (1962). That year she was elected Treasurer and since 1964 has been President. Mrs Pengilly has also at different times been reporter in all 3 branches. For the past 3 years she has also held the position of Far Northern Divisional President.

Leigh Creek 160 Defeated Blinman 120

On Sunday 19-12-71 a match was arranged between Leigh Creek and Blinman at Blinman Oval.

Due to the Christman Spirit, twelve very sick and seedy Creekers slowly drove to Blinman arriving, of course, a half an hour late. Fortunately for us, the opposing team was not any better.

With a limit of 30 overs each, Leigh Creek batted first and N McPherson 43 and P. Corbett 39 put us in a good position with the score at 0/78 at lunch after 14 overs. Then straight after lunch there was a major collapse, with D Ellis being the star, out first ball for nought, but due to some big hitting by the tailenders a respectable score of 160 was posted. Heroes of these being No 11 batsman C Lloyd 26, D Fee 20, R Wiles 13 and R Brand, who although not scoring many runs, held his end up for a last wicket partnership of 30.

A very confident bowling side lined up expecting a crushing victory over the Blinman side, but after 14 overs and the score at 0/84, our confidence had dwindled away to next to nothing. Finally Bill Corbett broke the partnership with the score at 90. From then on it was a procession of people walking backwards & forwards across the ground. The bowling heroes were R Wiles 5/24, P Corbett 5/47, with Bob Wiles taking two wickets in 2 balls in one over, only to surpassed by Bill Corbett in the next over who took 4 wickets in 6 balls, missing out on the hatrick on two occasions Blinman completely crashed to be all out for 120.
