WORDS OF WISDOM
Take time to be friendly, it is the road to happiness.

Happiness is chiefly a home-made article.

CWA

REPORT 000

November 21 saw our 28th Birthday combined with International Day meeting and 19 members attended.

"A custom from another land", was the answer to the roll call, and in keeping with this one of the competitions was a doll dressed in traditional National Costume. These included a beautiful Spanish dancer, Polish chimney-sweep and a Scot in kilts to mention a few. The second competition of the night being a plate of six small cakes which were enjoyed after for our party supper. The Birthday cake was appropriately decorated with the ACWW badge and wattle surround to commemorate the World Conference being held in Perth, Australia this year (the country represented for International Day). Slides of Western Australia were shown during the evening. Donations were made to the Royal Flying Doctor and Christmas Cheer for the aged.

Pennies for friendship - members were fined 1 cent each per 2 inches of their waistline, adding a touch of humour.

Camera Club 000

At the final meeting for the year (Thursday 21 November), members were given the very hard task of selecting the "picture of the year" from a large number of high standard entries. The best entries submitted were:-

Slides:

1st	B TULLOCH
2nd	B Bull, B Tulloch, B Knott
3rd	B Knott, B Bull

B & W Prints:

1st	B TULLOCH
2nd	M Philips
3rd	J Walford

Following this, J Walford gave a very interesting insite into producing special effects on photographic paper, not only explaining the techniques involved, but demonstrating with a large number of examples. The lecture was well received by all present.

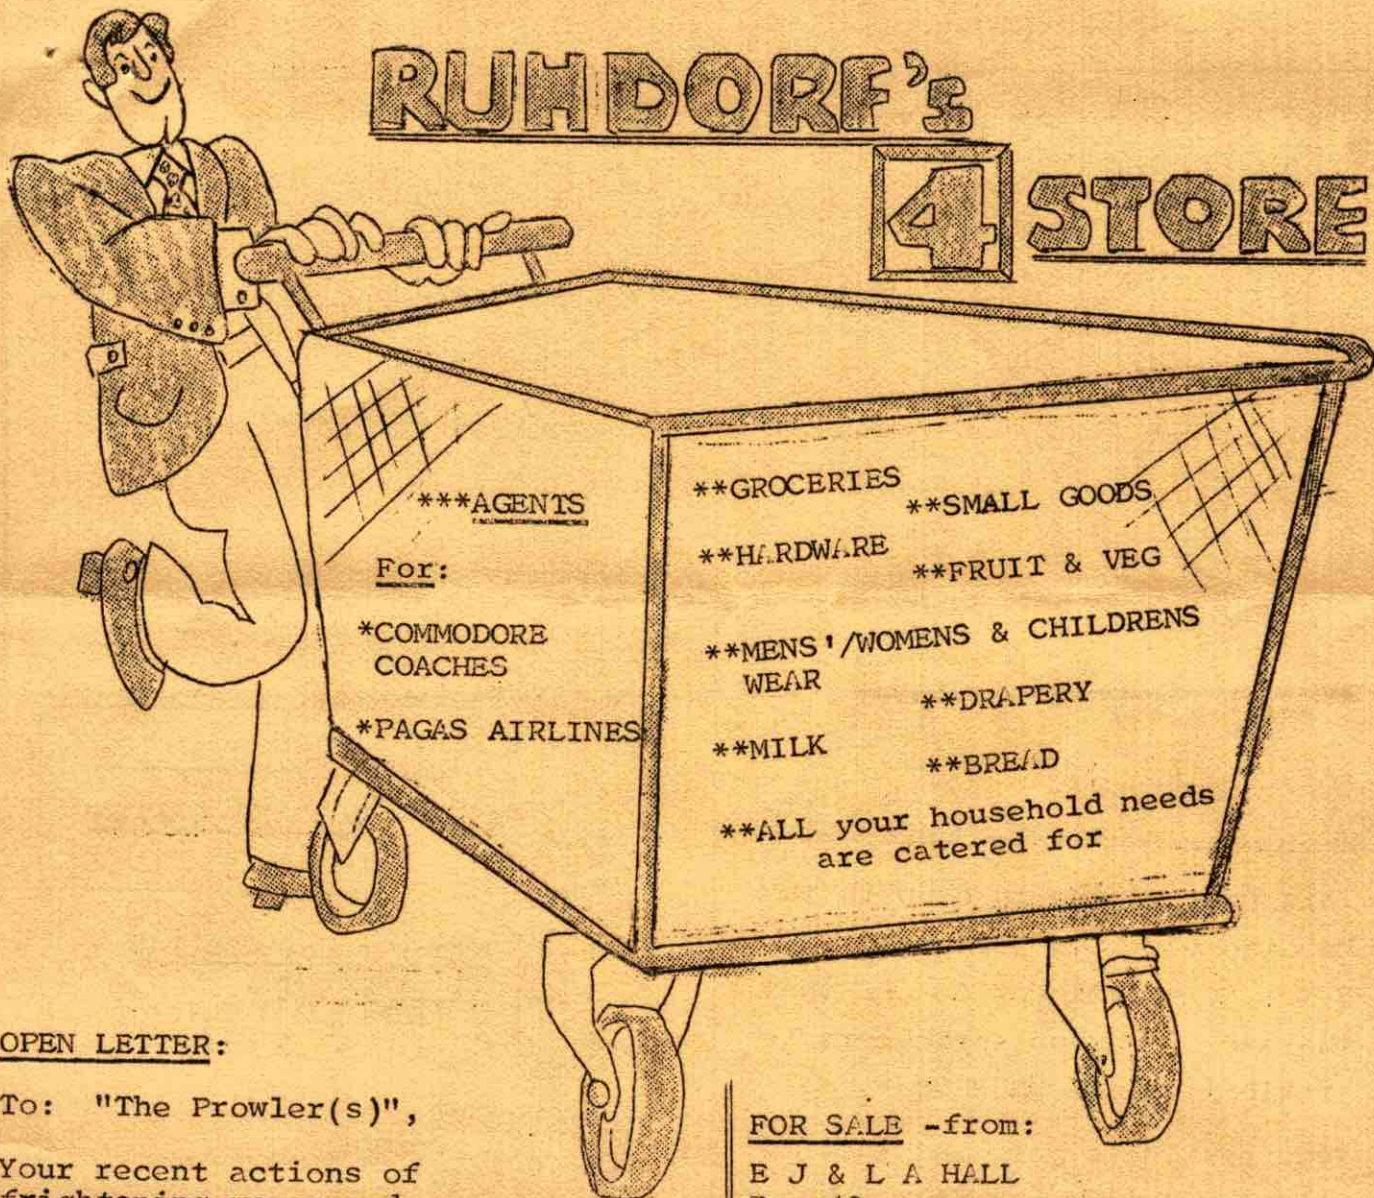

Next years work programme has already been decided upon so that members may make use of the Christmas break. Any person interested in a copy of these topics can obtain one from KEVIN PAGE.

Members are reminded to keep 13th December (Friday), clear for the Camera Club CHRISTMAS DINNER at Lyndhurst.

OPEN LETTER:

To: "The Prowler(s)",

Your recent actions of frightening women and children on their own, at night, has not gone un-noticed.

Perhaps you may consider this type of harassment a great joke or have even gained some sense of satisfaction in being capable of instilling fear into defenceless people.

On the other hand have you considered that:-

- 1) Your actions are illegal
- 2) You are risking prosecution and public disgrace
- 3) One of your "victims" may retaliate and cause you physical injury.

Prowlers and "Peeping Toms" are in my estimation, people suffering from a severe mental disability who are not only a danger to innocent people but a danger to themselves in-so-much as they are distorting their own minds by the actions they are undertaking.

I urge you to consider seriously the effects you are having on the children involved as well as the prospect of being found out and prosecuted.

Those who have had your unwelcome attentions forced upon them do not consider it a joke!

CWA DINNER - (Report by M MANN)
December 11 at the Canteen.
Dinner will be served at 7.30pm

Members are reminded to bring gift for exchange and also to remember the Christmas cakes for Flinders House.

President Mrs A. Pengilly and Secretary extend to all members and clients the compliments of the season.

CONGRATULATIONS to Mr R D (Bob) MERRICK who gained his 10 year ETSA service badge on 23/11/74.

Recent visitors to the Clarrie HOOPER household have been Nelda's sister Jenny, husband Ray DAVIES and children. Jenny & Ray live at Ardrosson and it was certainly very nice to see them about town once more.

Note of interest!

CHRISTMAS DINNER at the CAFETERIA as advertised in the last Topics is now BOOKED OUT sorry late-comers.

It is with very deep regret that we record the death of two of our work-mates:-

+

BOWMAN Graham (Speedy) who was tragically killed in a motor vehicle accident in NSW on 23/11/74. Graham was buried at Grenfell NSW on 27/11/74. We extend our deepest condolences to Kath and the children.

+

DAUBARAS Peter who died suddenly on 28/11/74. Peter has worked with ETSA Leigh Creek since 1960 and his funeral was held on 29 November.

A very happy patron of the recent Hospital Cabaret would like to express anonymous thanks to the Committee for making the night such a happy and enjoyable one. Apparently it was a pleasure not only to the dancers but to those who went along to sit and chat.

MARRIAGE of interest last Friday 22/11 of ex LC Primary School teacher MARGARET HARRIS to Peter GERMAIN (Adelaide). Our very wishes to you both for the years ahead.

GARDEN SHED will be open this SATURDAY, 7th December between 1.00 - 2.00 pm for the usual garden requirement sales.

The Hospital Welfare Committee would like to say THANK YOU to the non-committee members who helped in anyway at or toward the recent Cabaret.

Please note! There is a charge on FOR SALE notices only in Topics. Small add - 30 cents Large add - 50 cents and up, depending on size.
