Young District  
HOSPITAL NSW

Dear Mrs Rappold,

The nursing staff and Matron have been very good to me as I did not know any one at all during this lonely and depressing time and of course I had the children heavily on my mind. Having to make the decision regarding my leg was also depressing as I had it in traction for 2 weeks before they put a Kuchen nail through the bone plus a plate up the side of the leg - the operation was successful.

I have just got out of bed for a little while and walking on crutches without bearing weight on the broken leg is hard work. It is going to be quite a while before I can travel back to Adelaide so anyone wanting to write to me can do so c/- of the above address.

I received a letter from Mr Lucas

who wrote on behalf of the Combined Union Council who told me that I could fly home when I am able. I deeply appreciate what everyone has done to raise the funds and I certainly didn't expect such a wonderful gesture, I have no idea how I can thank every-one but

I hope to see everyone in the near future when I am permitted to walk and travel. I would like to thank all who sent wreaths and cards and who helped in anyway throughout the accident period.

I miss my children a lot as I have not seen them since being admitted to Hospital and look forward to being with them again.

I will close now and would really like to hear from someone.

Yours truly,

KATHY BOWMAN

Dear Mrs Miller,

I would like to thank you and all those of the Churches mentioned so very much for the most acceptable gifts that you sent to The Salvation Army.

I am the State Secretary for the League of Mercy work, that is the visitation of the sick, elderly and lonely and do assure you it will give me the greatest joy to distribute them.

The lovely cake was an extra gesture of goodwill and for this we are extremely grateful also.

The hand made toys I also want to mention as being absolutely delightful. Thank you all again.

May God bless you each,

Yours sincerely,

Mavis Sapwell

At various Bar-b-ques held over the last few months a new food was introduced. It looked like meat on wooden sticks and in actual fact that's what it is. It's called "SARTEES" and is a form of Chinese cooking.

For those interested, the recipe is as follows:-

- 2 lb. topside steak
- 1 tablespoon dry or medium dry wine
- 1 " soya sauce
- 1 " brandy
- 1 " hot curry powder or 2 heaped teaspoons mild curry powder
- 1 dessertspoon salt
- 2 segments garlic
- 1 desertspoon sugar

Cut meat in 1" cubes. Crush garlic, marinate meat in ingredients for 24 hours. Thread meat on wooden skewers and grill over open fire or hotplate till meat is cooked.

The type of curry powder to be used is to your own taste, the hotter the powder, the hotter your Sartees. Perhaps you could mix a little mild with a little hot. The wooden skewers are hard to get here or rather unobtainable but the long steel skewers used at bar-b-ques are quite alright. When wooden skewers are used normally about 5 to 6 pieces of meat are put on it.

Among the numerous letters received we had a very lengthy and newsy one from Mrs Wendy Little.

It would appear that daughter PENELOPE who would still be remembered by quite a lot of her ex school mates, has had a very exciting and busy time since leaving LC.

First of all, Penelope fulfilled her promise to her old Guide Captain and became a Queen's Guide, she then went on to the Duke of Edinburgh Awards and at present has the Bronze and Silver to her credit with the Gold on it's way. For her Silver medal, Penny did a canoe trip down the River Murray, goodness only knows what is involved to earn a Gold one!

She was due to arrive back in Australia this month after completing 12 months in USA as a Rotary Exchange Student. She begins an Arts Degree at the Uni this year and hopes to become a maths teacher.

Keep up the good work Penelope, but perhaps you had better slow the pace down a bit.

John, Wendy and the Little family wish to extend New Year Greetings to all their LC Friends.

BOB & GAY POCKLINGTON would like to say a big thank you to Dr Lester, Dr Fleming and Matron, and all the nursing staff for their attention and kindness during recent hospitalization.
