LEIGH CREEK S.A.    Volume 20    Issue 23    27 March 1975    Price 3c

### Netball

Thirty two members and friends were present at the AGM of the above at which the following officers were re-elected for their second successive term:-

- President : Val Rappold
- Vice President : Val Holland
- Secretary : Jeanette Hickey
- Treasurer : Rhonda Smith
- Committee : Team Captains + Ron Hatch Peter Bould

Items of interest from this meeting and from the Committee meeting which was held on Saturday 22 March are as follows:-

An electric stove has been purchased and the following will be on sale every playing Saturday - PASTIES, SANDWICHES, SOUP and DRINKS. Teams will be rostered throughout the season to cater for the pasties. Any energetic Club member or friend may bring along ANYTHING on any Saturday that could be sold from this regular STALL i.e. CAKES, SWEETS. We have hopes this season of subsidising our trip away.

We are having 4 ROUNDS this season instead of the usual 3, giving us a chance of putting our lights to good use towards the end of the season.

Our inter-Club uniforms have arrived to the value of \$330.

REGULATION BRIEFS - the committee have agreed that waist briefs MUST be worn by all this season. Wardell's have a supply in. (NO BIKINIS)

A BUSY BEE will be held at the courts on 5th April commencing at 1.30pm.

BASKETBALL TRAINING has ceased and we would sincerely like to thank Mr KEVIN PAGE and JOHN WHITTINGTON for the time and effort they have put into teaching some of us the fundamentals of the game. Thank you very much once again chaps.

## B. W. A. News

The meeting for March was brought forward by 1 week to 20 March, due to Easter being held on our usual week. Only 16 members were present and 3 visiting ladies. Ideas from the Roll-call "Your Pet Economy" suggests that some of us still try to be thrifty in various ways.

Details for the Group Conference being held here on 5 April were finalized. A report from State Council held at Mary Walker House, State office, was given by the President Mrs Pengilly, who attended this recently.

Congratulations were sent to Robe Branch, through our link Mrs Larcombe on the occasion of their 40th birthday.

The competitions for a log cake, and a piece of handicraft were not as well supported as usual, however, the entries received were very good. The log cakes were auctioned after judging.

During supper some of the members read out newspaper cuttings of interest.

(MAUREEN JAMES - REPORTER)

### CWA FLINDERS GROUP CONFERENCE

The LC branch will be Hostesses for this conference to be held in the Community Hall on 5 April 1975, at 10.am.

There are 9 branches in this group and it is almost 12 years since a similar function was held here. In those days, Myall Group was still part of Flinders Group.

Members from the south will be traveling by bus and Marree will also travel down to attend. (There will be a few husbands coming too)

Plans are in hand and everyone is asked to be early. Morning tea will be at 9.30 am.

The Far Northern Divisional President, Mrs F Stirling of Whyalla, will open the conference. Two other State Officers will also be present. Mrs Clayton Dunn of Tarlee will be the Guest Speaker and she will be traveling with Mrs A McLean. Both are very knowledgeable women and I am sure you will learn something more of our world wide organization if you attend.

Mrs A R Burden, M.B.E., the Flinders Group Secretary and the Divisional & Group Liaison Officer will be present.

A warm welcome to all interested women on the field - we extend an invitation for you to attend.

Catering arrangements are for a 'pooled lunch' at 12.30 pm (1 hour break), conference resumes at 1.30pm.

Would all ladies bring a plate of afternoon tea (not scones or sandwiches).

If you cannot attend all day, then we would be pleased to see you for at least part of it.

(Enid S PENGILLY)  
PRESIDENT  
FLINDERS GROUP

### DISCUSSION GROUP - 1975

**GOLF BUSY BEE** - Twenty seven Busy Bees, including 4 Queen Bees, quickly demolished the work. This healthy co-operative Club-spirit augurs well for the coming Season, and is greatly appreciated by the Committee.

Our Hive was made complete when one Drone flew in, manageringly surveyed the work, then quickly buzzed off again. The Committee, however, is well aware, that some Members could not attend because of regular employment.

A special 'thank-you' is due to Patron Jock Hirsch for tasty chops, and to international Chefs' ARNALDO PUDDENIE and KARLO RAPPOLDA who transformed them to a Gourmet's delight.
