CWA \*\* CWA \*\* (By Mrs Enid S Pengilly - immediate past Flin/Group Pres.)

The 31st Flinders Group Conference was held in LC on Saturday, 5 April. A bus load of members, some with menfolk, was late in arriving, due to a breakdown at Parachilna. This bus brought members from Pt Augusta, Orroroo, Quorn, Hawker, Carrieton, Eurelia, Hammond. Marree members arrived by cars as did the guests.

Following morning tea, the President of the Leigh Creek Branch (Mrs A PENGILLY) welcomed everyone, and then again as Flinders Group President she gave a special welcome to the guests - Mrs Clayton Dunn of Tarlee, (Chairman of State Properties), who brought with her Mrs A McLean (Chairman of Property Sub-Committee) Mrs F S Stirling the current Far Northern Divisional President from Whyalla. The pianist was Mrs K Rappold, to whom I was indeed grateful.

I was very proud of my fellow Leigh Creek members who ably hostessed the day with morning tea, luncheon (pooled) and official, and again afternoon tea.

The business was most interesting and informative and over 50 members responded to the Roll Call.

The Branch reports were read and well received and there is no doubt that the members of the CWA put their shoulders to the wheel in dozens of different ways at all levels, State, Group, and local needs where warrented.

Mrs Shephard of Eurelia reported that the Divisional Project, the Home for the aged "Flinders House" at Quorn was running smoothly, and that not only CWA assist here with gifts and donations. There were reports from the Liaison Officers for Broadcasting and State Housekeeper Scheme also for Combined Arts & Horticulture. Two resolutions as a result of being passed at this conference will go on to State Conference which will this year be held in the Country. This one will begin with the Annual Meeting on 18 August and the venue will be Berri. (Five years ago it was held at Mt Gambier). Mrs Pengilly and Mrs A R Burden the retiring Group Pres. & Sec/Treas., were handed a small token of appreciation by Mrs McLean on behalf of the members in the group. Both suitably responded. Mrs E Hudson & Mrs K Stewart of Quorn are the incoming Pres., and Sec/Treas. Both are from Quorn. All members are reminded that the Divisional Rally will be held in the Quorn Showground on 8 May. The next conference in this Group will be held at Quorn on 8 April, 1976. Afternoon tea was enjoyed at the close by a happy & friendly gathering. Thanks to our local members, to those who accommodated the guests, Mr Mann & Mr Blieschke, and Manager Leigh Creek, indeed my thanks to everyone.

# Miscellany

A very enjoyable and happy 20th birthday party was held at the Golf Club house last Saturday for Miss SUSAN ANDREWS. Many friends enjoyed the hospitality of Les & Lil Andrews and helped Sue celebrate her big night.

Susan wishes to thank all those who helped in any way to make her party such a memorable night and for the lovely gifts & cards received.

BOB & LIZ Wiles have left the following address to be passed on to their friends in the hope that a few will call in and say 'hullo' when they visit the 'big smoke'.

Flat 1  
23 East Street  
TORRINSVILLE

Belated CONGRATULATIONS to Brenton & Merrilyn ARNOLD on the arrival of their daughter, SUSAN JANE (Qu. Eliz) on 29/ 1/75.

GORDON & JOY BLAKE wish to say thank you to all their Leigh Creek & District friends for the cards, gifts and well wishes received on the recent birth of their BIG son CRAIG GORDON DOUGLAS.

## HELP! HELP!

We are seeking interested people to coach our MINI LEAGUE Netball teams - can you help as the children get a real kick out of having 'coach' there with them to hand out kicks and encouragement. Please contact Mrs Jeanette Hickey or Val Rappold if you can help. Training times etc., can be arranged to suit you.

OF INTEREST - the Arkaroola arm of the bus service has finished, however, schedules and fares will remain the same. Please give your support to this service as we certainly need it.

Get well quick wishes to JOYCE MERRICK who is still in the Royal Adelaide where she is undergoing tests, to WAYNE LUCAS who is in the Leigh Creek Hospital and we are certainly happy to hear that SUE CLOHESSY and baby daughter are fit and well again.

Ladies don't ever call your husband a 'Model Lover' as one of our local girl's has been doing for years. Hubby decided to look the word model up the other day and felt quite deflated. It said:-

"A small representation of a planned or existing object". ??!!\*!!

## MUMS/DADS/NETBALL MEMBERS/FRIENDS

Don't forget that PASTIES, SOUP, SANDWICHES, CHIPS, SWEETS, COOL DRINKS etc., (Tea & Coffee) will be available from the Clubhouse Trading Table which will be held EVERY SATURDAY of Netball games. You can now buy your lunch after your game or take some PASTIES home for a quick tea.

## RAT OF THE WEEK

An enthusiastic group of our teenagers are trying very hard to establish a meeting place for themselves and to encourage the youth of our town to meet regularly and enjoy social evenings together. However, it seems a very nasty minded little "RAT/s" has cut into their savings already by stealing their cool drinks & chips from the Church Hall. Never mind kids, stick to it!

Have you heard of the LEIGH CREEK SHOTGUN CLUB? Do you know anything about it? Are you interested in either watching the activities or joining this happy little group on a Sunday?

Contact either Peter CHARLSON at Northfield, or wife Lyn (Secretary), at 18 Fifth Street East, where your enquiries will be very welcome.

CONGRATULATIONS to Beverly & Don SCOTT who celebrate their 12th (Silk or Linen) wedding anniversary on the 20 April.

IN ADVANCE - CWL CAKE STALL  
3 May.

TABLE TENNIS - DON'T FORGET to come along EVERY MONDAY NIGHT at 7.30pm to the RSL Hall.

# Golf Clubber

Twenty seven members playing a Stroke-Competition, set the 1975 Season rollin' along smoothly. Some good scores were achieved, and Messrs H Herde and R Probert crossed the threshold into A Grade. However, 'One Ancient' amongst us, had the worst golfing day of his life; and the words of his mouth, echoed the feelings in his heart, as he repeatedly belched forth classical tirades of sulphuric verbosity, rendered in a rich, clear, lyric tenor voice, envied by all within hearing.. (especially the lyrics).

Bluey McCleery established a new Club Record, the longest hit of its kind; a remarkable feat considering his club never touched the ball but hit the ground lft.behind the tee, dislocating his shoulders and crosseying his perspective, but one of the thousand pieces of flying debri, hit the ball plumb-centre, catapulting it straight down the middle....3½ inches. Congratulations! Bluey, but remember, ground maintenance is costly.

Last but no least, President K Rappold presented Mr A PENGILLY (Captin Emiritus) with a club Life Membership Certificate, for distinguished service and contributions to our Club, "THANK YOU" from all of us Alex.
