The ETSA advises that the TUESDAY collection of household garbage will be discontinued as of NOW. The additional day was introduced during the summer months in an attempt to reduce the offensiveness to the collectors.

Garden and other rubbish which cannot be reasonably carted to the dump by private vehicle will be picked up as usual each Tuesday. Rubbish can be collected from your drive or backyard by arrangement.

The meeting held on 28 March was attended by 13 members and 2 visitors, members answering the roll call with their Australian Birthstone. This was rather unusual and by way of a change to find out our other than "traditional" birthstones which are more widely known.

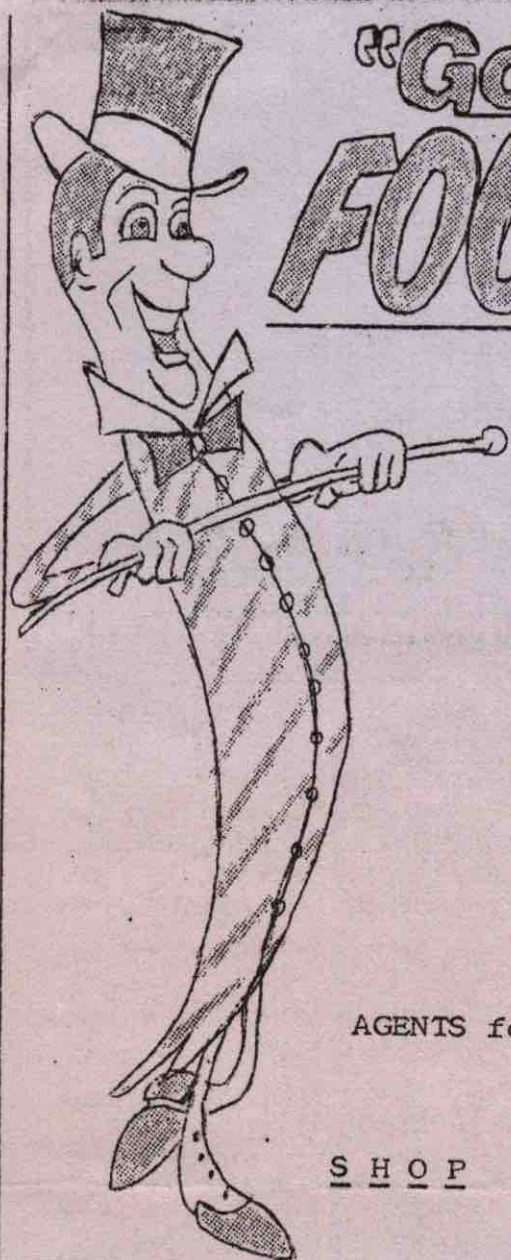

Competitions: For an unusual cork several novelties were entered while there were also some very nice handmade articles received in the second section for Flinders House Fete.

President, Mrs Pengilly, who attended State Council in Adelaide on 6 and 7 March touched on several subjects of importance which were dealt with there and also the aims and objectives planned for the forthcoming year.

Mr ARNOLD, from the Department of National Parks & Wildlife Service of SA., was our guest speaker, outlining his duties in the area and of the preservation of our native wildlife, trees and animals. This proved of great interest to us all for the future.

TWENTY YEARS OLD

The Pre-school kindergarten was first opened in September 1954, by Mrs Shirley KNOTT and Lois TAYLOR and was

housed in the backstage dressing room of the old Community Hall. Chairs were borrowed from the Sunday School and toys were begged from interested townspeople. The two lady teachers gave their time and energies for the price of small contributions from attending children. During the following Xmas holidays, the Electricity Trust commenced what has become an annual and much appreciated grant, which has served to keep the Kindergarten on a firm basis; this has been greatly added to by the fund raising activities of the committees and teachers over the years.

In 1955, Mrs Paule CHMIELEWSKI took over from Mrs Taylor with Mrs Knott's assistance and the kindergarten acquired its own brightly lacquered chairs. When Mrs Chmielewski left for Maitland, Mrs Knott assumed responsibility for the work and with the most capable help of Mrs Muriel WILKINSON continued with the good work.

The move to the old Canteen building in 1959 was a temporary measure until the move into the present fine new permanent rooms and washrooms (1961).

Over the years, the parents have worked hard to provide indoor and outdoor equipment. The playground with swings, sandpit and lawns is much enjoyed by the children, while inside they find much to occupy them with blocks, trucks, dolls, painting, modelling and many other activities.

Mrs GLADY MILLER is now in her 10th year having joined the kindergarten staff in 1964.

On looking through the 1st roll book we find these four names in the first year of kindergarten - TERRY BLIESCHKE, NEVIL McPHERSON, JUNE MILLER and JENNY KNOTT.

We certainly hope to see you all at the 20th Anniversary celebrations on the 20th April - refer front page.

A post card was recently received from Max & Irene HILL and family who are now living at Darwin. Max has joined the Police Force and has gained his yellow belt in judo. Irene remarks that "at long last Max is getting muscles and weight on him". House rents up there are apparently very expensive - cheapest is around \$50 per week unfurnished.

BABY SITTING - Many enquiries have been made as to the correct rates for this job. There are apparently no fixed rates but the proprietor of a babysitting agency gave the following rates as a guide:-

Week Nights: .60c/hr until midnight
.80c/hr " 2.am
and
\$1.10 for every hr. after that.
Week-ends: Public Holidays
.70c/hr until midnight
after which the rates are the same as those for week nights.

Another one of interest:-

IRONING CHARGE

Domestic work in private houses is not covered by any award and payment is a matter of mutual arrangement between the parties concerned. However, the going rate is about \$1.50/hr.

Letters to:-
The Secretary
Far Northern Development Assoc

2 April 1974

Dear Sir,

In reply to your letter of 21 February, 1974, I advise that the present proposal, which is subject to finance, is that construction of the Hawker-Marree Road will commence from Hawker, northwards, following the completion of the construction of the road from Hawker to Wilpena.

It is anticipated that this work will commence late this year.

The upgrading of the Wirrealpa-Wertaloona Road, to an open surface standard, will not affect the priority of the Hawker-Marree Road.

Yours faithfully,

SECRETARY
HIGHWAYS DEPARTMENT

From: COMMODORE COACHES

Dear Sir,

Thank you for your letter of 26 March, 1974.

Owing to the rapidity with which we have taken over the Express Run to Arkaroola there may have been some slight inconvenience re freight. We try to be at Glandore at all times but there are occasions when the house may be unoccupied for a short period.

Freight may be left at the Pioneer Depot in Franklin Street as previously.

We wish to advise that we are at present negotiating premises for our own permanent depot and as soon as this transpires we will advise all agents.

We apologize for any inconvenience we may have caused but these things will be rectified in the immediate future.

Yours faithfully,

M J BROWN

Extra! Extra! Read all about it
REDS topple the Blacks! This was
the cry after the opening clash
between Matadors and Pirates last
Saturday at the netball courts.

This game was played at a fairly brisk
pace throughout with no quarter given
by either team. Sheer determination
only by the Red team gave them the
game. One thing that puzzles me and
that is the playing of Spinner Mc
Bain at centre - still that is the
coaches worry but I think that they
get more out of this girl when she is
at defence.

Anyhow well done Reds you took this
game right up to last years premiers
and came out on top at the final bell
and I reckon there was more than one
person there last Saturday who was
surprised at the results.

I find it very hard to pick your best
Red. Your defence was solid all day.
Centre had her fair share of play and
attack, although off target at times,
won the ball more so than the op-
position. All I am going to say is
a "good team effort to all".

Well Blacks - how did you like it
eh! You played well, but you were
not consistent. At times going into
attack you looked as though you would
kill the opposition but the Red de-
fence (on the day) was too strong.
Your best was Vitality Val who was
too experienced for her younger op-
ponent, next I give to Libby Hirsch
and third to Stepper Smith.

The ORANGE team started off at a
blistering pace which had the Demons
in a fair amount of confusion. Mc
Cleery girl was running riot at
centre, Jenny Hatch was playing well
and all-in-all the orange looked
good. Good defence work by the
Demons kept Orange from being in a
winning position at half time.

During the half time break the Demon
coach made a few changes and this
coupled with the Orange girls' run-
ning out of 'puff' proved to be a
winning combination for them.

Farina Kid started to find the goal
ring-ably assisted by Cheryl Napier
who came from defence, Sweetie Fee
was coming into her own in defence &
Joy Callis was proving too strong on
the last line.

Best player for Demons must go to
Val Holland for a 4 quarter consis-
tent effort, Joyce Callis 2nd and
Farina Kid Patterson for a fine
"first-up" effort.

Orange best to M McCleery who
never gave up all day and proved
too strong for her opponent, 2nd
to H Lock who displayed some
very good defending and 3rd vote
to Lightning Foot Beal.

I thought the GREENS would get
rolled by 20 goals but they sure
proved newrong - going under to
the Blue team by only 3 goals.
Both teams appeared to have the
final jitters when the game com-
menced with passes going astray
and goals being missed. However,
after the first quarter the game
settled down and some good netball
was played.

The pace really got 'amoving' at
times, especially when one or the
other team gained a run of the
ball. Aunty Bev put her best foot
forward and was a tower of strength
to her team all day. Lonesome
Fuchs shone at times and Robyn Place
did well at her position.
It was nice to see Leonie showing
that old school form that we got
to know so well (bit of a stir
does you good sometimes - eh!) and
June Van Gaspel and the three 'K's'
showed a fair amount of consistency
and determination at times.

I am expecting to see some good re-
sults from these teams, in fact I
was surprised at the keenness and
spirit in which each game was
played. Keep it up all teams,
this could be our 'best ever'
season.

See you next issue. *Windbag*
