J CASSIE & K WATERS travelled to Sydney to compete in the National Titles over the Easter weekend, and, although the results were not up to scratch, the experience was invaluable. Shooters were assembled from all parts of Australia, New Zealand and Tasmania, and the competition was keen, with two "shoot-offs" for the finals at Centre-Fire and Ladies Match. In the 6 match team aggregate, NSW came 1st with 12593 points, SA second with 12567, and Vict. third with 12554. The SA teams gained a 1st place in Free Pistol, 2 seconds in Air Pistol and Rapid Fire, and 3rd places in Standard Gun and Ladies Match. SATURDAY/SUNDAY - April 9/10th - PARR

SATURDAY - no play

SUNDAY - In spite of a great exodus of Leigh Creekers for Easter holidays - nine Members brought in excellent scores, and new Member Mr S Hocking from Nilpena Station, had his 'first taste' of golf, - hope it intoxicates him and becomes an extraordinarily necessary in his life. The two 'A' Graders (J Adair and L Dorton) had a 'Battle Royal' and our War Correspondent reports, - "Johny done Laurie like a dinner", and next day (Easter Monday) he sent this news flash, - "Laurie and his Ladies made mince-pie of Johny".

Results: A Grade - J Adair, L Dorton -1  
B Grade - H Lucas/J Dejanovic -3, T Miller -6  
C Grade - G Gray -6, J Slade -7, M Bright -10, S Hocking -14

EASTER MONDAY - April 11th - MIXED AMBROSE

Seven Ladies & eight Gents, mingled, connived and thoroughly enjoyed themselves. A mixed Ambrose enables golfers to escape the hum-drum boredom of continuously playing with familiar faces. The Ladies almost outnumbered the Gents, and were the purtiest paecl of females we ever set eyes upon; splashing lustre over familiar places. This natchrally makes us ridiculously happy, and with your kind permission Ladies, may I be suggestive?, - Why not endeavour to outnumber the Gents next Mixed Day (ANZAC DAY), I am not trying to inflate your egos and bust your braces, but simply trying to stimulate you to play with us more abundantly. An Ambrose also provides greater opportunity to capture Golf's elusive Prima Donna - Miss-ed Birdie, and even the 'impossible' Eagle. May the light of these thoughts find you an unobstructed channel and visibly conduct you to our Mixed Days.

Results:

1. L Dorton, Carol Van Gasteren, Marg. Gray -74
2. J Adair, Daphne Van Gasteren, Dianne Slade -76
3. Poppa Lucas, G Gray, Bep Binnekamp -79
4. John Slade, Ben Van Gasteren, Enid Blieschke -80

Saturday - No play

Sunday - Eighteen players switched on the 10 million electronic cells in their brains to generate enough "Know-how" to coax that cantankerous ickle white B-all, so perfectly rounded, that you can't possibly point IT towards the 'ole. Every shadow points to the Sun, and every golf ball points to ALL the stars, concurrently, yet, in every game, some good score emerges.

Any player interested in joining us, please contact Mrs MARGARET GRAY or myself.
