CONGRATULATIONS to Bruce & Yvonne WATSON who celebrated their wedding anniversary last Saturday. We sincerely trust that the present was suitable??!

*** Herman & wife Irene, were vacating in Paris. He was trying his best to break away from his wife & take in some wild life. Finally, his wife gave him a night off. He went to a nightclub & picked up a sexy chick but she wanted \$100. He said he would only pay \$10 and she refused & walked off. Running into her the next night with his wife, Herman went very red in the face when she remarked - "You see what you got for your lousy ten bucks".

HOCKEY...

The first hockey match for this season was held on Sunday 13 with Green team narrowly defeating Red 1-0. Good teamwork by Green enabled Brian Pryor to score a goal in the first half.

On Sunday 20, Green again defeated Red team 2-0. The game was close, with strong attacking and defending by both teams. Despite Red, gaining 3 new players, Brian Pryor, at centre managed to hit 2 good goals. Better luck next week, Red team.

The teams for Sunday matches will be posted each Thursday on Wardells and Davies window. If you are unable to play, it is your responsibility to inform Red captain - HELEN LOCK, or Green captain - BRIAN PRYOR - before the Sunday. Remember matches are to commence at 10.00am. All players should be at the town oval by 9.45am. Practices are on Wednesday from 5 - 6 pm., at the town oval.

Below is a programme of matches, umpires and a field lining roster. Please cut it out and keep it. If the dates are unsuitable find a replacement or swap for a more convenient time. It is hoped that all hockey players will be able to assist with lining the field at sometime this season. Remember, subs are now due - to CHRIS FRASER.

JUNIOR HOCKEY has now started. All school children - girls & boys who

Golf Gabber (reported by BERT REYE - Sec. Sunday - 13/ 4/75)

We played Par, had it been a Tuesday, we could have played Par with Ma, .. ooh La-la!

The Sun played a merciless game of 'roast-der-golfer' all day. The flies were never so treacherously friendly, even making our golf balls look like currant buns (moving currants). The sudden appearance of a U.F.O., startled players L Mounce and C Hooper, as they watched it buzzing Les's ball in flight for 150 yds. Later they discovered, it was the 'head' of Les's No. 3 Iron, which had disengaged from its stem at impact and accompanied the ball companionably.

Only one player achieved +, all others -. Of course it was Sunday the 13th. But, it's an ill-wind that blows no good, for that No. 3 Iron head when re-fixed to it's old handle will be shorter, - just right for a very keen and promising young golfer ... Darren Hooper.
