COMMENTS on games: Both games were good considering the fact that quite a few had never played before. Although the Sloggers/Eagles match appeared on paper to be a walkover, the latter did very well considering most of their members were newcomers. With plenty of practice girls and boys, a big improvement will soon be noticed in your future games.

Behaviour was not the best in some cases. There is far too much bickering and back-biting between team players - this has got to stop as you cannot concentrate and play good softball while you are at one another's

throats. Old members! It is well worth remembering that new members have to learn the same as you once had to.

Miscellany

Dear Editress,

I have been stopped from going to the pictures by my parents lately because of the type of pictures that are now being shown at the hall. I think it is time that some pictures should be shown for general exhibition at least once a week (preferably Saturday nights).

Will you please print this letter in your next edition of the Far Northern Topics to see how other children feel about it.

Yours sincerely,

MICHAEL RENSHAW

Michael,

Your letter has been handed to Management of our local Cinema who will look into this problem for you. He has already made several attempts to rectify this matter but as our programmes are selected in Adelaide their story is that the "G" films are hard to procure these days. Many thanks for writing.

CUB & SCOUTS EASTER CAMP

The 4 days Easter camp was a tremendous success. The glorious weather, added to the perfect organisation, also contributed to the success.

As one of the visiting parents, I was most impressed by the cleanliness of the two camping sites and surrounding areas. The cheerful discipline of Cubs and Scouts was a pleasure to observe. Asking my son how the meals were, two friends quickly answered for him - "much better than at home" and "real terrific and plenty of it". After seeing the sizzling roasts in the oven, I had to agree with both comments.

Ironically, the only "casualty" at the camp was the St John Ambulance representative himself. His injury - a bee bite!

My sincere thanks to the organisers, the 3 ladies, leaders and helpers for your time and efforts. In my opinion your biggest reward is not the knowledge of a job well done, but the memories the 29 cubs and scouts have taken home from the 1974 Easter Camp.

BOI VOYAGE to Mrs Carmelina TESTA-GROSSA who departs shortly for Italy where she will have 8 weeks holiday with her family in Naples.

A safe and happy journey to you Carmelina and make sure that you have a wonderful time.

This issue we say goodbye and goodluck to Miss Dianne Johnson, who departs shortly for Adelaide. Best of everything to you Di.

Thank you very much indeed to the "RAT OF THE WEEK" who pushed four gigantic holes into the Kindergarten Birthday Cake raffle last Saturday night and then filled them up with beer. It is a shame that all the hours of work and effort that had been put into the making and decorating of this beautiful cake could only be enjoyed by the rubbish bin.

There will be NO GARDEN CLUB SHED this week because of the school gymkana at Beltana this Saturday.

A REMINDER!

You are reminded that the art & craft show is only 5 weeks away (28 May) so keep those articles moving along. Schedule details will be printed next Topics.

It is very disappointing to the committee of the Netball club to note that the drink honour system is NOT being adhered to. Looks like we will have to watch each other.

Windbag Reports

GREENS v ORANGE

Well Greens you have been beaten twice now but the teams who have beaten you cannot brag about thrashing you - a very small margin in both cases.

The reason you lost last Saturday was the fact that you appeared to have only 6 girls interested in playing in the first quarter. Positional changes were made at quarter time and away you went but I feel you could have built up a match winning score in that first quarter if you had ALL pulled your weight.

Orange girls were fitter and so they were allowed to run riot in that last quarter.

For the Green team I have placed R PLACE in first position with 4 good determined quarters, Canham girl and Lonesome Fuchs also did well.

Orange best by far was Marie McCleery who never let up all day with a close second to Lightning Foot Beal. Third vote I have given to S Ward.

BLACKS defeated the BLUE by 10 goals but this I feel was not a true indication of the game. Both teams were evenly matched and the netball was of a high standard at times by both sides.

Stepper Smith got the Blacks moving in the first 5 minutes with 2 beautiful goals from way out. Bikini Ward and sister Broad Ward were doing good things in the attacking area while good old reliable Hickey was tight in defence. The Blue team were finding it hard to get past Spinner McBain (who I noticed was back in her right-full place), and also Janet Pryor who was having her first game.

"Blues" to you want to know where you went wrong - well, ask your coach I think he can tell you.

Blacks - you played well but I reckon that the other teams will soon catch on to that plan 'X' of yours. I was very impressed with your new goal keeper - for a while there, I thought it was "Peter Darley" in disguise.

Blacks best I thought was Spinner, 2nd to Stepper Smith and 3rd vote to Janet Pryor.

Blues - definitely must go to Broad Ward (who was under pressure all day to a very good opponent), 2nd to Judy Hickey in defence and 3rd to Karen Hill - the Blue Skipper.

MATADORS and the DEMONS

I was not very impressed with this game at all - passes misdirected, mishandling of the ball and general non interest in the whole game. As a silent spectator, I was very disappointed.

Reds were much faster to the ball than the Demon side and their goal shooters were doing better than the opposition - this, I think, was where the game was won.

Best Players for Reds must come to the defence end, so I give it to P Donlon for a first class performance. Second to Spider Cornwell who ably assisted her team mate and 3rd to Sue Taylor who did everything right under the goal ring.

Demons best by far was their centre girl Arnold who cut her opponent to pieces - good game. Second to the Demon Skipper, Val Holland and third to C Napier while in defence.

DON'T FORGET GAMES NEXT THURSDAY
My tips for the day:-

Tornadoes to defeat Dodgers.
Matadors to defeat Gremlins
Pirates to defeat Demons.

PROVE ME WRONG - if you can!?!?

R S L

Person 'A' - Hey! wasn't Wednesday night supposed to be table tennis night? Well, at least that was what we agreed on.

Person 'B' - Oh well, you know what it's like; a picture crops up that you'd like to see; mother-in-law arrived for dinner; one of the kids had a toothache.....

'A' - Well do you want to play table tennis or not?

'B' - Could you possibly change it to another night so that it wont coincide with a good movie etc.

'A' - OK. Table tennis will now be held on MONDAYS - commencing on 29 April in the RSL Hall at 7.30 pm. We will be placing teams and electing captains on this night so could you tell all your mates to come along. Let's hope this is a suitable arrangement!

'B' - Oh, and by the way, who won the Easter raffle.

'A' - JOE TESTAGROSSA was the proud winner of the Easter Hamper.
