## GREEN THUMB REPORTS

Several inquiries have come in about how to prune mature stone fruit trees. Last year many trees lost branches due to excessive loads of fruit following a couple of years of vigorous growth. This can be overcome by good pruning. Proper pruning of mature trees results in less fruit but of much greater size and quality. I will give a demonstration on how to prune mature trees at the STAFF QUARTERS at 10.am SUNDAY (3rd July). If you need help, come along. Bring your secateurs and saws.

SOLE GABBER

SUNDAY, 19 June - PAR (APPROACHING MATCHES - 3/7 BISQUE ST'FD - 10/7 - STABLEFORD)

Laurie Dorton's + 3 is very commendable and J Adair's -2 quite respectable, and it's better to try and understand the rest than condemn them, especially when one is one of them!! Perhaps it was unlucky because there were 13 players?

Results:	A GRADE		B GRADE		C GRADE
	L Dorton +3	*B/day	T Miller	-5	G Gray -9
	J Adair -2		H Lucas	-6	B Van Gasteren -10
	K James #12		B Reye	-8	

SUNDAY, 26 June - 2nd Triangle - at BLINMAN - Stableford

It seems everyone enjoyed travelling to Blinman by bus; and lucky too, for I forgot to issue a warning by a local personality, - the inimitable, fleet-footed marathon walker, ... Brickie de Payne. Here are his very own words, uttered for your protection, - "Whenever, travelling with Don Ellis, never leave the car, instead, take an empty flagon with you".

This warning is not based on any air-fairy probabilities, for he has added to the flimsy skeleton of probability, the flesh and blood of bitter personal experience, and speaks with the authority of one who can tell you how to do it and not get caught, from one who did it and got caught, - just when he could'nt stop. ..I mention all this, only because on 17 July, we travel to Hawker for the 3rd Triangle, and, to be forewarned is to be forearmed.

While we did not win at Blinman, we were not disgraced, and the highest scores were made by Leigh Creekers. Laurie Dorton captured the elusive 'Eagle' at No. 7 Hole and scored 44 pts, and Don Ellis just sizzled through the Course like a jet plane. His 67 off the stick, is a Course record, and his 3 under Par for the second round has never been approached. Don's final score - and best for the day - 46 pts.

Our home-coming was one long, happy, lusty singsong led by Maestros Brian McPherson and Tom Miller, bolstered by Stretch Binnekamp and Banker Reed and distorted by Comedian BenavenaGasteren, necessitating a few wee stops to get over it all. We enjoyed the company of several Associates and friends. We extend our sincere "Thank You" to driver Kel Corbell. Our utter confidence in his ability to bring us home safely, enabled us to abandon ourselves completely to the exhilarations of the day. And finally, we are grateful to UNCLE ETSA for the privilege of hiring the Bus.

Best 4 scores:

Leigh Creek	Blinman	Hawker	Aggregate Scores:
D ELLIS 46 *B/day	P Edwards 42	K Reynolds 38	LC - 464 + 471 = 935
L Dorton 44	J Branch 36	S Gregory 37	H 400 + 491 = 891
J Adair #1	A Ireland 36	P Harris 37	B 386 + 481 = 867
J Taylor 40	R Pycroft 34	A Burt 36	

(BERT REYE - SECRETARY)

THE LEIGH CREEK CHRISTMAS TREE CLUB

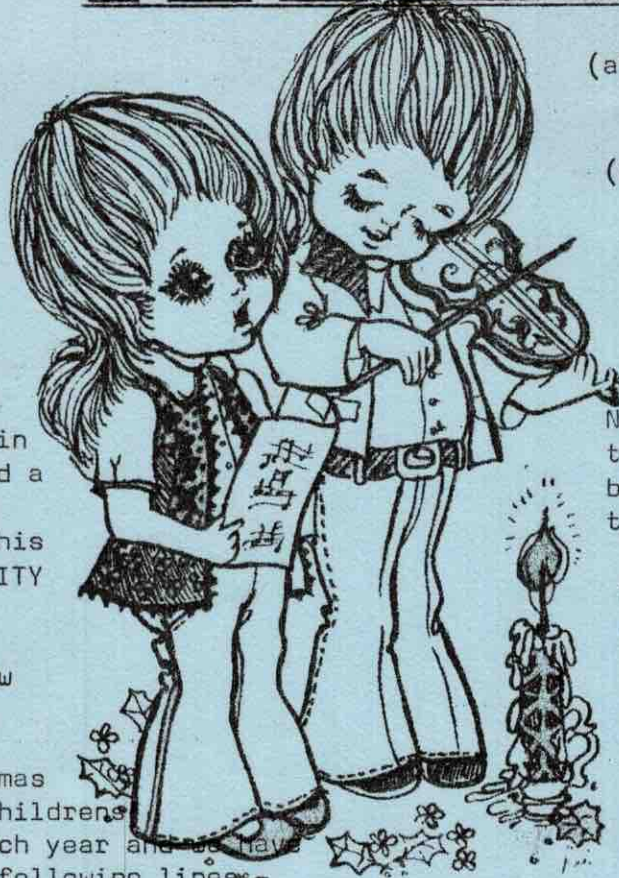

It is ANNUAL GENERAL MEETING time again.

Please make a SPECIAL EFFORT to come along because if there is insufficient response, the Club will unfortunately be forced to dissolve.

Although the Club has in previous years received a very generous donation from ETSA, remember, this is definitely a COMMUNITY AFFAIR.

Information for the new families in town:-

The Leigh Creek Christmas Tree Club conducts a Childrens party at the end of each year and usually run it on the following lines:-

(a) Commence the afternoon with an enjoyable family FILM.

(b) Hand out COOL DRINKS and ICECREAMS.

(c) FATHER CHRISTMAS arrives and presents a present to each child.

Now wouldn't it be a shame to see this lovely childrens' day cease because of the lack of adult interest?

We need MEN as well as WOMEN, so if Mum can't make the meeting then we would like to see Dad or vice versa.

WHEN & WHERE? - Glad you asked.  
MONDAY, 4th July  
at the  
TELFORD ROOM - 8.00pm

LETTER TO THE EDITRESS:

Dear Madam,

On behalf of the Leigh Creek Group of Community Aid Abroad, I thank the people of this town for supporting the BIKE-A-THON recently convened by our organisation. In particular the 64 children who took part in this event are to be commended for the outstanding effort they made. Only 3 of the younger children did not cover the total distance of 20 kilometres.

Our thanks are also extended to the 13 adults who rode in the Bike-a-thon, as well as the adults who acted as cooks, marshalls and sponsors. Without the support of these people the Bike-a-thon would not have been such a success.

As yet the financial gain from this venture has not been finalised as some money has still to be collected but it is estimated to be more than is needed to provide the 7 scholarships in India. The children to be helped by this money are children of Bamboo workers who would otherwise receive no real education or chance to improve themselves. Thank you especially to the children of Leigh Creek for helping those less fortunate than us.

Yours faithfully,

JOAN M ABBOTT-YOUNG  
SECRETARY

\*\*\* WARNING:

He who canlick can bite.

PLAYGROUPS

Since our last report, the Playgroup building at the school has been removed, and we thank the Principal Mr Van Den Yssel for the use of it these past cold mornings. Thank you also to Mrs Anne Docking for her help during our short stay.

The Kindergarten has now opened its doors to us on Tuesday and Wednesday afternoons from 1.30pm - 3.30pm and Playgroup children (0-4 yrs) are welcome to attend anytime during these hours, however, they MUST be ACCOMPANIED by an Adult.

A Kindergarten session (3-4 yrs) will be operating at the same time under the Supervision of Mrs Ruth Magor, and we feel both Kindy and Playgroup should operate successfully.

Although Playgroup is now at the Kindergarten, this by no means cuts out the home groups. The basic aim of Playgroup is for Parents and Children to meet, mix and be happy (simplified version), and PG can operate either way, the choice is yours. Perhaps even a bit of both ways might suit your needs.

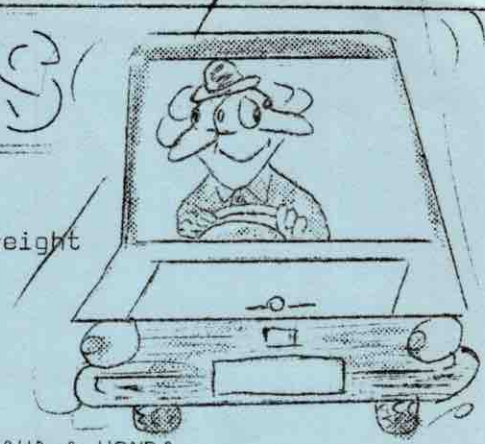

HINT OF THE WEEK: save juniors paintings for gift wrapping paper. It is bright and inexpensive.

For further particulars concerning PG please contact me at 2 Second Street.
