BADMINTON

Are you frustrated, and  
put down etc. ???

YOU ARE! Well come along to  
Badminton and get rid of all your  
inhibitions. Whacking that shuttle  
cock gives you immense satisfaction.  
That is if you can hit it!! Some  
people go away from Badminton feeling  
a lot worse than when they started.

Someone once said, "There are more  
champions walking the streets than  
actually taking part in sport".  
This is probably true.

All you potential champions come along  
and lets see what you are made of.

If you have never played before, you don't  
know what you are missing, a fast healthy  
sport which sharpens the reflexes and keeps  
you fit.

COME ALONG, if you can't  
play, we will teach you  
how; in no time at all you can  
sit on the side lines and tell  
everyone else what they should  
be doing.

Letter to the DRAMA CLUB

Leigh Creekers have once again been treated to a good night out by the Drama Club - It was certainly well worth waiting for. The old stagers were in their element and their seeming confidence appeared to inspire the "youngsters" in the troop. I am amazed every time to see such well known personalities successfully portraying such different characters - especially a local audience.

The Leigh Creek Post Office apparently is not as quiet as we all assumed - we certainly had some good laughs during both plays (Hot Water and Deadly Poison). Did you notice two Doctors almost out of control at the mention of the belly-scope.

As long as the Drama Club is able to find such good new talent we can look forward to many more first rate performances; I would not miss their next performance which is promised for later this year.

"One of the Audience".
