Ben's phenomenal 1st round score of 26 pts was grape-vined among players, and everyone eagerly awaited his final figures. When these were posted, - 46 pts, Captain Thomas Allen MILLER carefully verified details, and Lo! Unto us, abounicy 15st. 'B' Grader was born. Congratulations BEN VAN GASTER N, and welcome to 'B' Grade.

Our Young'un was missin' todee. What with all that singin' plus touch o' flue, the ludd losht 'is voice and steed 'ome. Should 'a changed 'is nappy on bus. SUNDAY 10th July - Stableford

In their benign Wisdom, our Executives ordained that today, we played the same kind of game we'll be playing with Hawker & Blinman Clubs next Sunday. We now know that today's average score of 29 pts is equivalent to 464 pts at Hawker, - which taint just good enough to clinch the Series for Leigh Creek. We MUST do a bit better than that.

A very sporting gesture today by John Dejanovic provided a Trophy for the best man of the day, and it could not have gone to a nicer guy! the very esteemed Mr President, the Honorable Mr John Adair, and presented by the Donor himself.

After 3 years absence from golf, Pete Smith graced us with his presence and brought home the 4th highest score of the day. "How we need this man next week-end!!" "Oh Rondah! How we need your man". Our Young'un had a one round try-out today, - he'll be fightin' fit for Hawker, "By Gorrah" A good motto for next weekend - "A GOOD SCORE STARTS THE NIGHT BEFORE".

SELF IMPROVEMENT COURSE (especially started for us girls!) 7.30 - 9pm WEDNESDAYS at KINDY.

Fee: \$1.00 per lesson.

Summer is the time to SLIM for new clothes, holidays, trips to the beach and the pool, its the time when YOU WANT TO LOOK YOUR VERY BEST.

It's hard to hide those unwanted inches in summer (which, let's face it, we all have), so why not do something about it NOW. We can all HELP EACH OTHER.

As the weeks pass by, YOU and I and our new friends can get slim together, and give each other the support we need as we reach for our goal. By having your friends go through the same temptations as you are, understanding each others problems, the weeks will pass by swiftly and easier. For, remember, the longer you are on the Reduction Diet (which incidently doesn't even seem like a diet) the easier it gets, then once you leave, slim and happy, you are set for life, with our maintenance programme.

Along with our new shape, lets try to improve ourselves in other areas. This week 20 July, we will be applying facials, looking and attending to our eyebrows and eyelashes. Please bring necessary articles. We just never seem to have enough time in the day to attend to those special needs which make us feel more feminine and beautiful. so its a lovely idea to have this

special hour and a half a week to pamper ourselves and to leave our daily problems behind.

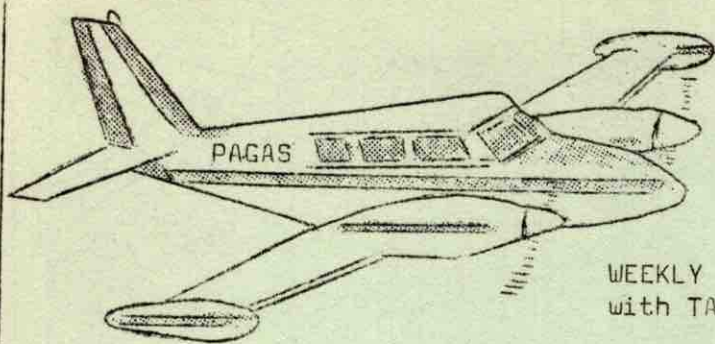

On 27 July we will be pampering our hands, (duly deserved, after what they go through with dishes, washing etc), so bring your nailpolish, remover, base, top coat, hardeners etc. whatever you think your hands need and what you have at present at home for that purpose. If you don't have the things listed dont worry, come along with whatever you have.

We are fortunate to have a SPECIAL GUEST coming along in the next 2 weeks, to teach us the art of relaxing. Once you know how, you can teach your family and friends and so do away with any drugs which you may feel you need now.

We always look forward to any newcomers who are interested in this course. Don't be shy or ashamed, WE ARE ALL THERE TO IMPROVE OURSELVES, whether you are 16 or 60 years, we sincerely welcome you. We all have problems, I as well as you. Let's help each other to reach our goal whether it be the battle against the bulge, or just improving the reflection in our mirror. Meet new friends, be happier and become more interesting people.

WE WILL MAKE HEADS TURN THIS SUMMER SO WATCH OUT GUYS!!

GARDEN COMPETITION - is expected to be the week starting 19th September. An early start now will have your garden in good shape. The competition has several Sections, including a Section for new comers to Leigh Creek. BE IN IT! Start the tidying up NOW.

In attendance will be PETER VISSER or BRIAN McIVOR. Often, just talking about a problem with someone trained to help, while it may not be immediately solved, may help you to better cope with it. Matters like - teenagers wanting to leave home, but not quite knowing what to do next - parents worried about their children - marital difficulties - enquiries regarding adoption of children - budgeting problems and other personal problems.

SUPPER ROOM COMMITTEE

Many years ago there was felt a need for the formation of a Committee who could provide for the community the equipment required for many social functions and activities. Most people take for granted that the cups, saucers, plates etc., that are produced at functions, belong to the Trust, and are available when and where required. Actually, the majority of items are the property of the "Supper Room Committee".

The equipment is available to all financial members (Clubs, organizations etc) who have paid the joining fee of \$5.00, and the range of gear available includes: -  
 cups, saucers, bread & butter plates, entree plates, dinner plates, soup bowls, sweets dishes, sugar basins, jugs, trays, tea spoons, bridge tables and cloths, tea pot and a 4 gallon boiling water urn.

Any private person wishing to hire the equipment (for use in public halls only) will be charged \$5.00 hire, plus of course the cost of any breakages.

Payment for breakages also applies to financial Committee members.
