LEIGH CREEK SA Volume 20 Issue 6 18 July, 1974 Price 3c

Date line: Friday, 14 June - Correspondent "George"

SWITZERLAND

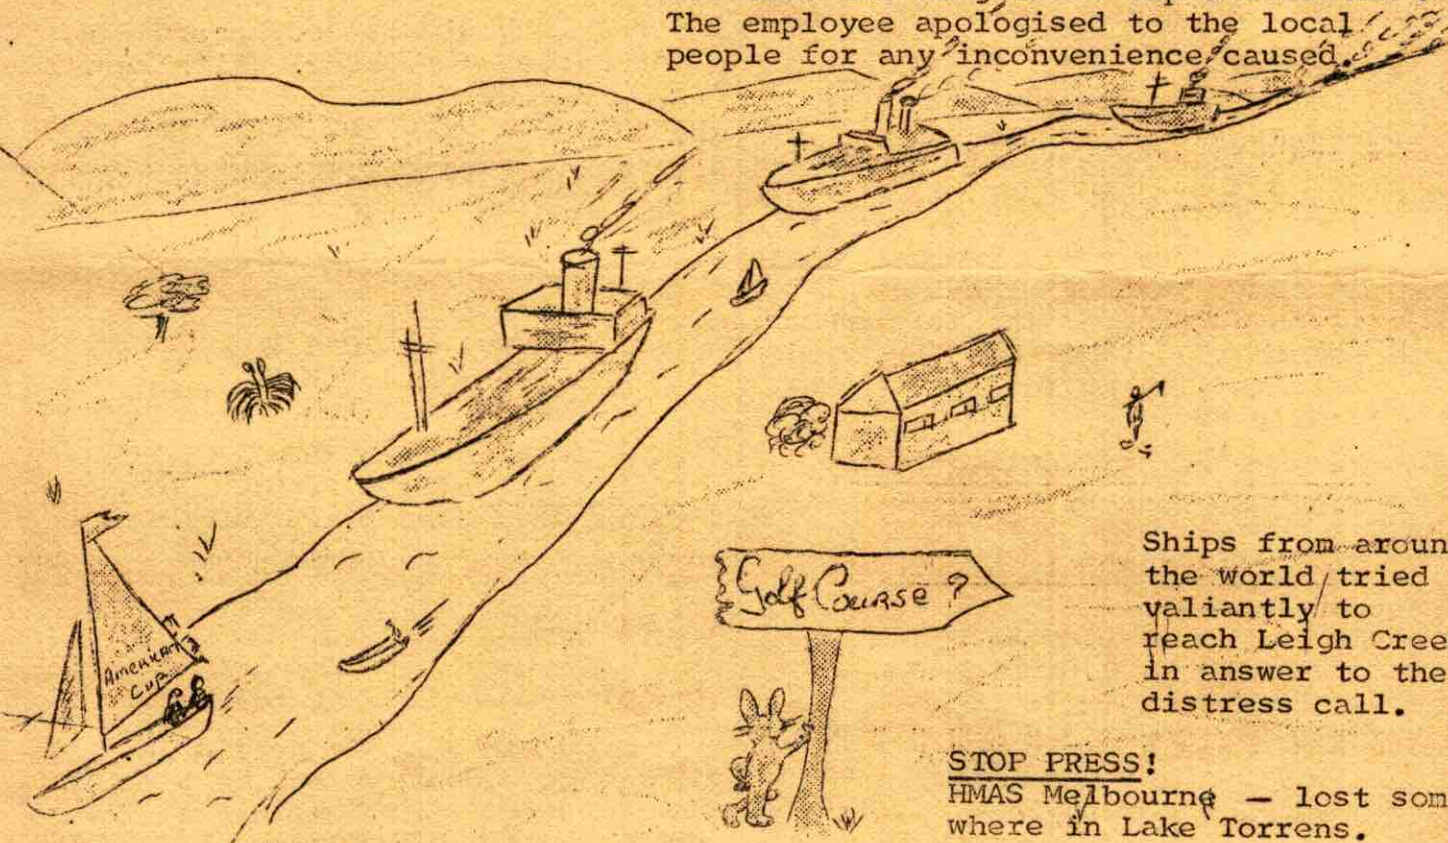

Trouble spots in the Middle East and other areas around the world ceased and for a few hours there was total peace. President Nixon USA., and Prime Minister Wilson UK, were among the first to arrive at Geneva. The heads of Russia, Tonga and Luchestein were among the last to arrive 20 minutes later. The Australian PM was conspicuous by his absence, although he did arrive at the conference hall 17 hours after the world leaders had returned to their respective countries. It was later reported that the PM's new white Holden had a puncture near Monte Carlo.

In view of the emergency, the rest of the world went ahead with their plans to answer the distress signal sent out from Leigh Creek at 0900 hrs on Friday, 14 June. The Australian flag was flown upside-down outside a prominent building. (A flag flown in such a manner is Internationally recognised as a distress signal.) It was generally assumed that the PM's non arrival at the conference indicated that he was himself at the scene of the disaster and directing rescue operations.

The Chairman of the conference, the King of Rorotonga (Cook Islands) did not know the exact location of Leigh Creek and only vaguely where Australia was situated. He decided to send all the worlds' available shipping, both Mercantile and Naval, to the disaster.

Exclusive Snoopy News Service: Dateline, 16 June - LEIGH CREEK

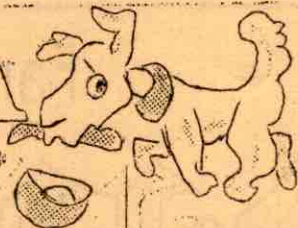

"An employee is quoted as saying "I did not know the flag had a top & a bottom". The employee apologised to the local people for any inconvenience caused

Ships from around the world tried valiantly to reach Leigh Creek in answer to the distress call.

Sixteen players enjoyed a stableford match with Hawker at Hawker and as usual, got slightly beaten. Scores were - Hawker 535 pts to 399 LC. However, their form on the course, (which was in the best condition that we have ever played on), was no indication of their form at the table, with the terrific spread for tea and the barbecue lunch provided by our hosts. Individual scores were:-

	pts		pts
L Dorton	34	J Daulby	34
McPherson	33	Gibson	31
Pengilly	28	Ellis	27

Windbag Reports

BLUES/REDS.

"We came, we played & we conquered"
That's the Blue teams' theme this week.

Both teams played this game hard & fast but it was the Blue's stamina which won the day.

The Red defence was under pressure all day through the Blue team driving that ball into their attacking area repeatedly. When the Reds did go into attack their approach to the game was not as forceful as the Blue team.

Best of luck to you Blues, you played it hard and won the day. After this performance you must be a premiership threat.

Your best Blue was Broad Ward in defence who played her position to perfection and did not give the Red goal-shooter any latitude what-so-ever.

Knickers Willson was close behind Broad giving her team plenty of drive from centre. Karen Weymouth, in her new position under the goal shooting ring, for a very determined effort, I give the third vote.

Reds best must come from defence and it was in this position that the Blue team found a stumbling block. I give the vote to Spider Cornwall (oops, sorry), Daulby who never gave up all day - good effort Spider. Spider was ably assisted by her team mate Paulene Donlin who gets 2nd vote and third to a lesser extent - Sue Taylor.

BLACKS/ORANGE

Well Blacks, you had a training run, that's all you can say about the opposition. You were too fast, you had too much system, you played as a team and you could go on and on thinking up other things that you just had too much of.

There is only one thing wrong with your game results as I saw it Blacks, you should have won by 60 instead of 15.

Your best Blacks, in a very even side, was your defence and I give them all a vote in this order:-

Spinner McBain, Stepper Smith and Jan Pryor.

Special mention to Patricia Ryan.

Orange, 3 girls just cannot play 7 and that is what it amounted too last week. You had Marie McCleery, who defended superbly all day and tried repeatedly to get her team mobile, then there was Lightning Foot Beal who was also defending well and last, but by no means least, you had Cherrie Ward at centre who pushed hard all day. Good players after these 3 were very hard to find.

*** What is green and rides a horse?
THE "LONE GHERKIN".

GREENS/PURPLE

This was the first time I have seen Greens with their full team and they looked good, as a matter of fact, I would say it was the best team effort of the day.

You gave the Demon girls' no mercy Greens' and maintained pressure for the full game.

I could go right through this team and say something good about each player. Canham Girlie was a real live-wire at centre, Robyn Place did everything right on the attack wing, Aunty Bev & Judy Hatch gave a good exhibition of shooting, Still Waters ran deep in defence, Lyn Charlson was as solid as a rock and Pam Reid on defence wing held her position well. There you have it - a good effort Green. Keep this team intact and you could be a thorn in the side of the other teams that you could meet from now on.

My sympathy is with you Demon girls' this year. You just can't be expected to win games with a different line-up each week. I sincerely hope that next year you can live up to your name with a more stabilized team. You have some very good players and it has been very unfortunate that you have not been able to settle down as a team. Your best (& I thought best on the court), was Cowgirl Smith who must have covered miles running & moving anyway she could, up and down that court. Sweetie Fee gave yet another good performance in defence, ably assisted by Joycie Callis.

BEST OF LUCK TO THE THREE TEAMS WHO WILL BE PARTICIPATING AT WHYALLA THIS WEEKEND.

STOP PRESS news has just arrived regarding the Whyalla trip girls.

Official opening 10.30 am.
Commencement of games 11.am sharp.
Seven matches to be played on the Saturday. Two by ten minute quarters. A further 4 will be played on Sunday morning with a possible further 3 if we get into the finals on Sunday afternoon.

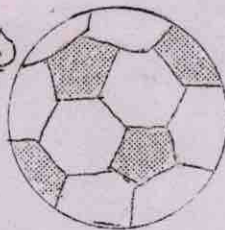

Departure from Whyalla - approx. 5.pm.
