Dear Mrs Rappold.

Consequent to discussions whilst Mr Thomas and I were in Leigh Creek recently, we have looked closely into means of providing a service from the north on long weekends or any time required.

We are quite happy to provide such a service so long as it is economical to do so. To achieve this it appears that we could go about it in one of two ways.

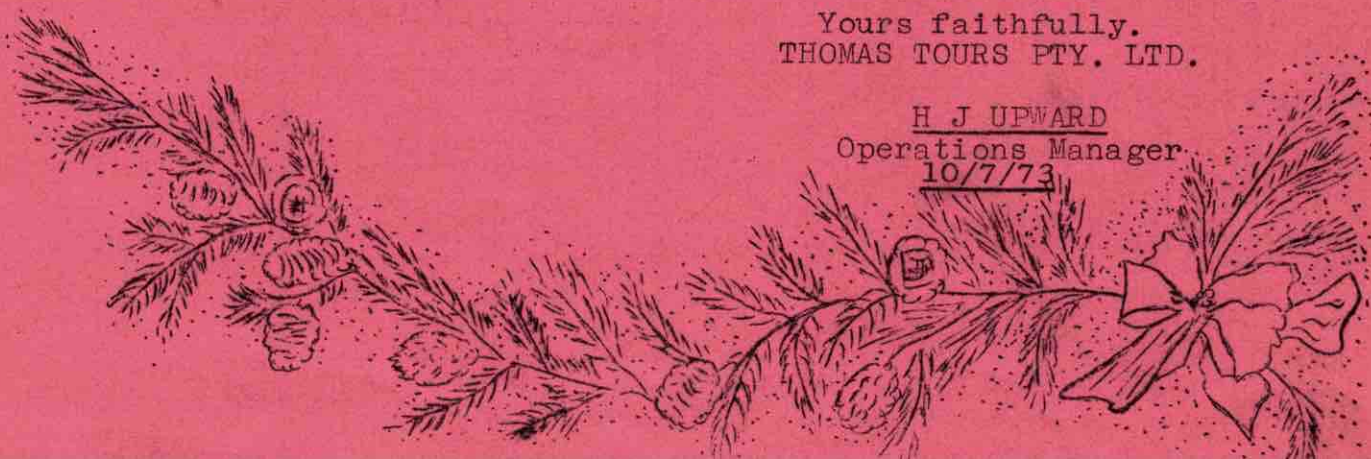

(A) By far the simplest from our viewpoint would be for some interested local person or club to charter the coach from us at a figure of \$580.00. It would then be up to them to interest enough people to travel - naturally the more that travelled the cheaper per head it becomes. We could obtain a special Permit from the Transport Control Board for such a movement.

(B) The other way would be for us to have our licence varied to depart Leigh Creek on Friday and Adelaide on Monday. This would mean that we would need to charge normal return fares and be assured of a minimum of 30 adult passengers. It would be essential that intending passengers book early with our agent so that we could assess the potential. Final ticketing would be required 14 days prior to travel.

In both cases we would suggest a 9.00pm departure from either end with an arrival time of 6.00am the following morning. However, if the local people would prefer an earlier departure on Friday night to arrive early hours of Saturday, that could be arranged.

Yours faithfully.

Dear Editress,

My mistress went to the Police Station and bought me a medal. Upon her arrival home, she fiddled and fiddled, but to no avail, to get that medal onto my collar. I then heard her say "I'll just have to take you to the Post Office without you medal because if I muck up that spring your Master's growl will be much worse than the policemen's reprimand, if he sees you without your medal."

PLEASE Madam could we have an easier spring on our medal?

Yours "Cindy"

The Committee of the Leigh Creek entrant in the Miss Australia Quest (Miss Leonie Ward), wish to say thank you to all who patronised our recent Cabaret. By all reports the evening was a mighty success and the credit goes to YOU - the public. Special thanks to the boys of the band - "Well done" chaps.

It would be far easier to lose weight permanently if replacement parts weren't so handy in the refrigerator.

Among the many meetings held on July 12 was the annual general meeting of the Children's Christmas Tree Club. At last year's party, 330 children were presented with a gift, cool-drink, ice-cream and a balloon - a total COST OF \$530.

At the meeting, those 330 children were represented by SIX (6) parents who were unable to elect a committee to organize a party for this fast approaching Christmas.

IF the parents are interested in their children having a Christmas celebration as well, they have another opportunity by attending the AGM, which was forced to be adjourned, to FRIDAY July 20 in the Community Hall Supper Room at 7.30 pm, when another attempt will be made to elect a committee.

FAR NORTHERN DEVELOPMENT ASSOCIATION  
Bi-ennial General Meeting 29 June 1973

In view of isolated outspoken comments at the meeting, I take the factor that all committee men making themselves available for re-election, were re-elected by the public, as equivalent to a vote of confidence in the Association and hope the public will continue to support this new committee in the ensuing two years.

The full committee is as follows:-

President: R W Ragless, Puttupa Station, via Beltana  
Secretary: R Barber, ETSA., Leigh Creek  
Treasurer: P Brazel, General Storekeeper, Lyndhurst  
Committee men: L Mengersen, Depot Springs Stn via Copley,  
N Smith, Mytle Springs Stn via Leigh Creek  
W Clarke, ETSA Leigh Creek  
A F (Bert) Holland, ETSA Leigh Creek

At the committee meeting held on 11 July, 1973 it was decided to obtain information for a possible approach to the Minister of Roads in an effort to get a high priority for the up-grading and maintenance of district roads.
