### LAUGHTER is the best medicine.

Two rival sausage makers lived on opposite sides of a certain street, and one day one of them placed over his shop the legend: "We sell sausages to the gentry & nobility of the country."

The next day, over the way, appeared the sign: "We sell sausages to the gentry & nobility of the whole country." Not to be outdone, the rival put up what he evidently regarded as a final statement, namely: "We sell sausages to the King."

Next day there appeared over the door of the first sausage maker the simple expression of loyalty:

"GOD SAVE THE KING."
