A letter has been written to Mr C R Kelly (Member for Wakefield) suggesting that the amounts allowable for dependants and Zone 'B' be revised.

A letter to Mr C R Kelly asking for our previous suggestion, that consideration be given to travelling expenses in obtaining medical attention, be a taxation deduction.

TELEVISION:

The Post Master General has advised Senator Jessop that he will make an Officer available to investigate the provision of Television coverage in remote areas. The arrangements for this meeting are in the hands of Senator Jessop, and will probably be held at Woomera.

TELEPHONE SERVICES:

A letter has been sent to Mr Hefferman (Acting Telephone Manager) Whyalla, inviting him to visit this area to discuss with the people concerned the difficulties and inconvenience caused by the present telephone system.

10/8/72.

Players this day could not fully appreciate the newly rolled fairways and course of adverse conditions. Wind and an occasional drizzle, dusty and bitterly cold were the conditions. Another leg of the Bisque Stableford gave Mrs W Mann a win with 40 points. She wears the weekly pin.

Best "off stick" score was made by Mrs A Pengilly.

# SID SAYS...

When you are working on the motor of your car here are a few hints to keep you out of trouble.

Always disconnect your battery. To do this you remove the earth lead first, then the positive lead. This will help prevent the spanner shorting out another metal. Sparks can explode any fumes coming from the battery cells or there may be petrol fumes just waiting for something to spark them off.

When you have finished the job reconnect your battery by putting the positive lead on first and the earth lead last.

By the way if your wrist watch has a metal strap then take it off or you could get a nasty burn.

## SENIOR TEAMS

1ST SEMI FINAL - 12 August.

GREMLINS 35 d DODGERS 33

This match was keenly watched and cheered for by Barrackers supporting both teams. Dodgers fought on gamely through out the game and held the upper hand until half time when the Gremlins by sheer force of will forged ahead to come out Winners by a two goal lead. A both close clean game was played both sides Good Going Green.

Next week August 19 the Second Semi Final will be played by Demons and Pirates. The loser of this will have their chance to do battle with the Mighty Gremlins - Looking forward to a very interesting game.

Umpire for last week and the coming match is Jim Reid. The Umpires choice of players for the day between Gremlins and Dodgers was the outstanding girl out of both teams was without a doubt, Mary Ruth Stokes. She held her team together throughout the day and was ably assisted by Bev Taylor and Judy Hatch, all girls played their best in this team.

For Dodgers Pam Beal played her usual good game. Nevette Collins showed her worth for the Orange Team. The Orange girls were there every inch of the way all doing the best.

It seems that ONE team from Iron Knob is sure to be coming with the Footy players with the hopes of a second team. We have had no official news yet - but girls keep going to practice every Tuesday afternoon at 5.00pm.
