LEIGH CREEK 2nd Sept., 1971 Issue 8 Price 3c.
Volume 17

A real 'Swinging' cabaret was the climax to a very successful NETBALL season. Congratulations to Miss JULIE GIBSON who was chosen as 'Belle' of the Cabaret and Mrs. VAL RAPPOLD - 'Matron'. This years premiers PIRATES received their shield and trophies exuberantly. The JOAN CLEMENT perpetual/RON & VON HATCH Medalion was won by HELEN BRAND with 23 pts. PRELIM. FINAL (reported by B. Hatch)

This proved to be the most exciting game of the season with Matadors winning over the Demons by one goal. LEONIE WARD gave an outstanding performance and attacked for her team for the full game. ROBYN PLACE gave her best game for the season while CHERYL NAPIER, JOYCE CALLIS, LORRAINE WALFORD and BRENDA GRAY made an almost unpassable defence line. MARIE NICHOLLS found it hard to control her feet at times, but I feel that she still had the upper hand. ANNA & JUDY played well in the goal area and repeatedly boosted the morale of their team. NELL REID was determined not to give up and gave her best for the full game. KARIN and LYN played hard but appeared to be really feeling the strain as goalies for their team.

"CONGRATULATIONS TO ALL"

GRAND FINAL (Reported by M. Waters)

Under fairly gusty conditions last Saturday and under the watchful eye of Mrs. Shirley Cox from Adelaide, PIRATES defeated MATADORS to become 1971 Premiers. It was a good fast game with the Pirates being forced into heavy concentration by the Matadors who were there to pick up any mistakes being made. RHONDA SMITH threw some really magnificent goals and RAELENE TEW played her best game for the season. LEONIE WARD gave another fine example of fast, sure footwork and ball handling. Leonie received the umpires vote for the day. LORRAINE WALFORD seemed to be all over the place and put her team back into the attack repeatedly. Final scores were 22 to 16. "CONGRATULATIONS TO ALL"

"Thank you girls for a wonderful season. (B. HATCH = President)

ec WHO, ME??

Mr. Average is a licensed driver. He's also very health conscious. Takes vitamin pills. Follows a low cholesterol diet, and keeps his weight down where it ought to be. Last night he was at a community meeting to consider anti-pollution measures. He worries about cancer, his waistline, and has regular medical check-ups. He quit smoking a long time ago. He's concerned about food additives, and their effect on him and his family. There's nothing wrong with any of this. It's just the irony of the thing! When he climbed behind the wheel of his car this morning to start his drive to the office, he didn't bother to fasten his safety belt!
