LETTER TO: MANAGER LEIGH CREEK  
FROM: Department of Public Health.

Dear Mr Mussared,

Further to your letter of 3rd August, 1973 about a compulsory Chest X-ray Survey for residents at Leigh Creek I advise that there are no plans at present to revisit this part of the State.

Recommendations of the National Tuberculosis Advisory Council are for Compulsory Chest X-ray Surveys to be on a restricted basis. This means that revisits are made to areas where the incidence of Tuberculosis is most likely to be found.

Any residents who are concerned about their chest condition are advised to write to this office giving full details. An authority to attend the Leigh Creek Hospital for X-ray examination will be considered.

Yours sincerely,

R G Manton

## GARDEN COMPETITION

The Garden competition is now only 2½ weeks away. Dates of judging are 17 and 18 of September so there are still 3 weekends for final preparations. Mr Lothian from the Adelaide Botanic Garden will again judge gardens and once more ETSA has generously donated \$200 prize money.

The presentation Social will be held on THURSDAY Sept. 20th at 8. pm in the Community Hall. Mr Lothian will present prizes and give an illustrated talk on some aspect of gardening after which supper and drinks will be served.

Entry forms will be delivered next week and if there are any further inquiries please contact JOHN ZWAR at Admin.

Although recent rough weather has caused some damage in gardens it is hoped that this will not deter people from entering as most gardens have been affected by wind damage.

The "final leg" of the Par Competition and monthly medal were again postponed on both 14/8 and 16/8/73 because of the rain.

These were played in conjunction with the Flag Competition on 21/8/73 when 10 associates turned out in ideal weather.

Mrs E Blieschke "scooped the pool" and her 104 was best "off the stick". Her net 68 won the Flag Competition and she wears also the weekly pin and the monthly medal. She was 1 down in the Par and had the two best of three cards as well throughout the season. "Good play Enid".

"Windbag" ---

The day was overcast with very little wind and conditions were ideal for the Grand final of the netball between the BLACKS and DEMONS. Adelaide State umpire Mrs Potter being in charge of the game.

The 1st quarter was full of mistakes by both sides which (I'm presuming) - was to be expected due to the tenseness of the game. Val Holland, wing attack, was keeping the Demons in the game and it was only through fantastic defence work by Spinner McBain and Mumma Pryor that the Blacks sneaked out of this by being level at quarter time.

2nd quarter was Blacks. Vitality Val was giving Sweetie Fee the run around, Stepper Smith at centre was checking her opponent more closely and all in all, the Blacks looked a better side.

Val Holland was still doing good things for the Demons, Station Smith at centre was playing determinantly and the Demon Skipper Cheryl, was keeping the Black goalies busy with some very good defence work.

Half time gave the Blacks a 4 goal lead, but still anybody's game.

3rd quarter was very even so far as the scoring went but the Blacks should have sown this game up. They were doing everything right but that little old ball would not go through that goal ring. By the end of the quarter the Demons had gained one goal thus making a 3 goal difference at the end of the quarter. This quarter saw Vitality Val still going great guns at wing attack, McBain and Pryor defending well and Hickey, who was very quiet in the first half well & truly coming into the game. The centre duel between the two Smiths' was very even with both girls playing well for their respective teams.

The last quarter saw the Blacks unwind. Goalies Elaine and Patty, who had been leading well all day, clicked and 3 quick goals were netted. This lifted the whole team and they poured goal after goal on leaving the Demon team gasping for breath.

Full marks Blacks, you were the better team but congratulations also to the Demon team who put up such a remarkable fight for 3 quarters. Someone has to win and someone has to loose. This year was Blacks, who knows, next year it could be yours Demons.

BEST PLAYERS are hard to find in the Black team with all girls giving their best, but I am going to select

mine.

I give No. 1 vote and probably best on the court to the Black Skipper, Vitality Val. She was standing one of the best Wing defence players in the Association and came out well on top over the 4 quarters. No. 2 vote to Spinner McBain for another consistent game in defence. No. 3 vote to Patty Ryan under the goal ring for such a superb performance of goal throwing, especially in that last quarter.

For the Demons I give No. 1 vote to Station Smith for 4 quarters of consistent and determined netball. She was opposed to a very good player in Stepper Smith and both of these girls played a good, constructive game. 2nd best to the Demon Skipper Cheryl Napier for her defence effort and 3rd vote to Val Holland for a brilliant 1st half.

I would like to take this opportunity to say CONGRATULATIONS to the Green girls who came from 2nd bottom position to nearly making the grand final - one goal isn't much to loose the game by is it?

I hope to see you all next year girls and lets hope that the 1974 season will be as popular and exciting as this one was.
