Sacrament of The Lord's
 Supper.

NEWS: On Sunday, 3rd February,
 Trevor John Morgan was received
 into the Christian Church by the
 rite of Baptism.

There is some confusion as
 to the time of the Minister's de-
 parture from Leigh Creek. His
 term of Office ends on the last
 Sunday of March.

VIEWS: Much wrong terminology
 would be prevented if we remember-
 ed that Baptism has nothing to
 do with the Christian names of a
 child. It is not a 'social occa-
 sion'. It is a time of rejoicing
 but only among those who recogni-
 se its significance as the first
 step of the child on the Christian
 road.

In the words of the Church:

"Christian Baptism is the Sac-
 rament of entrance into the visi-
 ble Church of Christ, and from

earliest times has been administ-
 ered not only to adult believers,
 but also to little children who
 by virtue of the universal atone-
 ment of Christ, are members of
 the Kingdom of God and entitled
 to receive the rite which signif-
 ies their reception into His
 Church on earth."

THOUGHT FOR THIS ISSUE: JOHN 3:5

"Except a man be born of water
 and of the Spirit, he cannot
 enter into the Kingdom of God."

SWIMMING GALA.

A swimming gala is planned at the Leigh Creek Swimming Pool for the week-end of March 23, when several of the Olympic team are expected to visit.

Members of the team include Dawn Frazer, Mary Geraghty, Margaret Gibson, Olympic Coach Harry Gallagher, and there is a possibility that John Hendricks will be in the group.

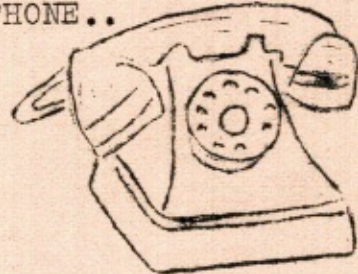

.....

AT THE SWIMMING POOL.

There are quite a few pieces of lost property at the Office. These include bathers, shorts, towels and two brand new boys' shirts. Owners can claim these garments by applying to the attendant in charge any time the pool is open.

It was very disappointing to find that during the tea break between the afternoon and evening sessions last Sunday, some mischievous little people had broken cool-drink bottles on the cement walkway around the pool, and some bottles were found floating in the water. Boxes are provided at intervals around the pool for used cool-drink bottles, and should
